From President John

The Board meeting originally rescheduled for tonight will instead be held after next week's meeting.

Pres. John represented the Club at the Unley Council's Harmony Day reception last Friday night.

Last night Pres. John attended the Unley Council's "Open Spaces Forum" at Goodwood looking at how effectively the City of Unley uses open space and how it could be improved and expanded. It was an interesting event.

A letter has been received from the Murray Bridge club thanking us for the donation of \$500 towards their skate park project. The donation was made to commemorate the Murray Bridge club's 50th anniversary.

The Rotary Club of Glenelg has advised us of their Art Exhibition from Friday 15th to Sunday 17th April at St Peters-Woodlands Grammar School, Park Street, Glenelg. Over 500 pieces of art will be displayed for sale.

Pres. John explained to our newer members that the "Unley Way To Go" is a community Fair organised by the Unley Council and held each March on the Unley Oval. Our Club participates in the Unley Way To Go as an expression of our community involvement and this year we will be running a stall to showcase the Thrift Shop.

Pres. John inducted Neville Highett into membership of the Rotary Club of Unley. Neville has been a Rotarian with other clubs for many years. His classification is Education Services – Secondary. Chairman Wayne Ross welcomed Neville into the Vocational and Youth Services Committee. Vice Pres. Kaylene Kranz welcomed Jill Highett and presented her with a bunch of flowers.

On the Spot

Ken Haines has received the annual financial report from District 9520. Anyone who would like to examine the report should see Ken.

Jim Newall reminded members of the Club's stall at the Unley Way To Go this Sunday, 28th March. More volunteers are needed to help man the stall, particularly from 1:00pm until close (please add your name to Jim's roster) and to prepare the goods for sale on Saturday afternoon (at the home of Joan Reed). We also need people to bring trailers to transport the sale goods and other gear down to the Unley Oval on Sunday morning.

Wayne Ross thanked members for their good wishes and support over the past weeks since his mother died. Wayne praised the excellent care provided to his mother over the last 15 years by the staff of the Julia Farr Centre.

Alex Jonson demanded to know who put a 20 drachma coin in the fines box last week because it cost our Treasurer \$1 personally to make good the fraud. He also asked the Sergeant to seek-out the guilty party and to fine them appropriately.

Joan Reed: On Thursday 25 March at 7:30am, Netta-Riina Salila's sister and her sister's boyfriend are arriving from Finland to visit for 10 days. Netta-Riina has a week off school to spend with them. If any members would like to entertain them at some stage, please contact Joan.

Sergeant's Session

The Sergeant for the evening was David Middleton. Geoff Dunn won the Lucky Squares draw and the bottle of wine went to Greg McLeod. Members old and very new were fined humorously for the slightest of misdemeanors.

Guest Speaker

Chairman Bob Laws introduced Eda Payne to speak on the topic of Language and Cultural Teaching of Refugee Women. As a mature age student, Eda obtained a BA degree majoring in English and Anthropology and became a teacher in Special Education, then consulted, then retired and but has now returned to unpaid work.

Eda and her fellow volunteers teach refugee women to speak English. These women mostly come from Iran, Iraq and Afghanistan and typically English is their second language. The consequence of this is that, while their husbands and children learn to speak English at work and school, the wife and mother at home, often with younger children, is unable to communicate in the community. And often their own families prefer to speak in English at home, leaving the women even more isolated.

The classes are conducted each Wednesday on a one-on-one basis during tutorial sessions while the women's small children are minded in a crèche. The English classes are conducted at Sophia in Cumberland Park.

While there is no shortage of volunteers for teaching and crèche, there will be need for volunteers to drive their 12 seater and 8 seater buses to bring the women to and from classes each week. In addition to grants from Mitcham Council, funds are also needed to improve and expand teaching and childcare facilities.
