Toasts & Responses

Ian Pearson was MC for the evening. Ian kept proceedings on schedule and throughout told stories about pigs and quoted an incredible number of amusing statements and malapropisms from various Prime Ministers and US Presidents.

Darrol Foote gave the invocation and Adrian Sobels proposed the loyal toast.

Stephen Westgarth proposed the toast to Rotary International and outlined what Rotary has accomplished and does not just in Unley, but also internationally throughout the world.

DG Euan Miller responded on behalf of RI and outlined the events that will be taking place in Adelaide and in regional centres in joint celebrations for Districts 9520 and 9500. RI President Glenn Estess will be speaking by satellite to a dinner at the Adelaide Convention Centre. There will also be a family picnic, cocktail parties, a church service at St Peter's Cathedral, a march up King William Street by Rotary clubs interspersed by ethnic groups, and a meal at Government House.

Sheila Evans proposed the toast to the Partners of Rotarians and expressed appreciation for the essential support and encouragement given to Rotarians and the Club over the past year.

Sue Middleton responded on behalf of the partners. Sue referred to the considerable contribution to Rotary activities made by many of the partners of Rotarians and expressed appreciation for what Rotary does and what it has done for her husband David in particular. On behalf of the partners she wished Ron Schubert all the very best for his year as President.

From Outgoing President John

President John presented a summary of his President's Report, with particular emphasis on thanking those who had made significant contributions to the Club and its Service activities. He was especially pleased with the consolidation of membership numbers and the commitment to supporting OSSAA. The full text of John's President's Report is available on the Club's web site in the Members Area.

Sergeant's Session

Natalie Bowen and David Middleton conducted a joint Sergeants' Session and together led the assembly in the dancing of the "Hokey Pokey"! Darrol and Marlene Foote were judged to be the "hokiest" couple with Neville and Jill Highett runners up. The prizes awarded were a feather boa for each of the ladies and bottles of bubbly for the gents.

Induction of President Ron

In the presence of all gathered, President John formally relinquished office and inducted Ron Schubert as President of the Club for the 2004-05 Rotary Year, and he then transferred to President Ron the President's lapel badge and collar of office and presented him with a banner bearing the 2004-05 Rotary theme – "Celebrate Rotary".

From President Ron

President Ron complimented Past President John on his character and on the Club's achievements of the previous Rotary Year. Pres. Ron thanked members for their confidence in appointing him President for 2004-05. He then gave a "snapshot" of his own plans for the new Rotary Year, with fun, fellowship, friendship and "Celebrate Rotary" being the central planks of his vision for this year. He wants to give predictability to the Club, to see at least six major fellowship events for the year, 60 members by the end of the year, and an even more caring attitude toward the community, to celebrate the Centenary of Rotary and the Club's 70th anniversary, to very soon see a District Governor from this Club, and to see more of our members, such as Past Presidents, involved in District committees. He then introduced the members of his new Board and presented them with lapel badges.

Rotary Fellowships

In the past the Rotary Fellowships program was one of Rotary's best-kept secrets. However, in recent years these Fellowships have received greater publicity, on both the national and international scene.

There are around 85 approved Recreational and vocational Fellowships with over 30,000 members in total. In nearly all cases members need to pay a small subscription fee to offset costs involved in the running of the Fellowship. Payment of this subscription gives the Rotarian member the opportunity to be informed and to participate in the Fellowship.

Some of the more popular Fellowships are the Flying Rotarians, the International Travel and Hosting, Recreational Vehicles, Cricket, Population and Development, Computing, Home Exchange and so on. It is interesting to note that the Motorcycling fellowship commenced here in D9520 by members of the rotary Club of Loxton.

There are several Rotarians within this District who are members of the International Travel and Hosting Fellowship. Our members receive a listing of all other fellow members around the Rotary World and can make contact with them and in doing so politely ask if they would like to host our members for 2-3 days or thereabouts. Likewise, our members may be asked to host. This hosting not only saves on accommodations costs, but you get to meet and enjoy the company of fellow Rotarians and learn more about the area in which you are staying.

For about US\$50 pa you can be a member of the Home Exchange Fellowship – a wonderful way to spend a lengthy home stay in another country while your counterparts enjoy themselves in yours. Those who have done this give glowing reports. Another very active group here in this district is the Fellowship of Cricketing Rotarians.
