David Payne: Thrift Shop Committee meeting this Saturday at Mama Carmela's.

Accommodation has been booked in cabins at Port Lincoln for next year's District Conference. It is at the North Shields Caravan Park, which is about 10Km north on the Tumby Bay Road. Please see David tonight to confirm accommodation. Cost is \$60 per night and linen can be hired from the park or you can take your own.

Joan Reed: In the Bulletin there will be a spot for members information. Members are asked to submit an article regarding recent travels or Rotary experiences. Volunteers are welcome, or the editor will ask members.

Rotary Information

In a new section of the meeting three Rotarians gave a brief overview of Rotary and what it means to them. Bob Laws, Adrian Sobels and Sheila Evans gave a very informative session highlighting the positives that they have experienced through their membership in this organisation. Friendship, fellowship, confidence and new experiences were the common theme.

Sergeant's Session

The Sergeant was Michael Tait who needs to be congratulated on a job well done on his first attempt. Geoff Howland won the Lucky Squares and Norm Wallace won the wine.

Guest Speaker

Adam Heaton was introduced by the Chairperson of the night Chandra Sluggett.

Adam gave us a very passionate overview of the dilemma that affects the children in Zimbabwe who have been orphaned by AIDS and who may also have the HIV virus and will eventually develop AIDS. Adam is involved in developing a centre "resort" for these children to be cared for during their short life span or until survivors are old enough and able to fend for themselves.

Currently accommodation is being built in a unit style facility with carers available to administer simple first aid and simple medication to them. Medication that is given for the disease process is administered by a clinic outside of this "resort" facility. Transport is required for this process to occur.

Adam is seeking assistance of any kind from money to tools or medical supplies to bedding that can be used by the occupants. He concluded his talk with a very emotive video of the community members in the local environment.

Chandra thanked Adam for his presentation and President Ron presented Adam with a Rotary wineglass.
