From President Ron

- Unfortunately Melissa Mathie has a family engagement tonight and is unable to speak this evening. She will be rescheduled for early next year before she departs. A backup speaker also passed on his apologies late this afternoon so unfortunately we do not have a speaker for this evening.
- Members are reminded of the Annual Christmas Carols at the Rotunda in the Unley Memorial Gardens on Sunday 12 December will commence at 7:30pm. All members are asked to encourage as many friends, acquaintances and family members to attend as possible. The Community Service may need a bit of help on the night, so if you are available please let Laurie know.
- Members are reminded that the Club's Christmas Dinner will be held at the Kooyonga Golf Club at 7:00 for 7:30pm on Tuesday 14 December. The cost is \$40 per person and a member of the Fellowship Committee will be collecting money from you next week. The Kooyonga Club's dress code rules are quite strict and members and partners should be aware that denim clothing is not allowed. There is now a security gate at the car park entrance and you will need to identify yourselves as being from the Rotary Club of Unley in order to gain entry.
- Our combined Christmas Breakfast meeting with the Eastwood and Hyde Park Clubs will be held here at the Unley Community Sports Club on Wednesday 22 December commencing **7.00 for 7:30am** sharp. There will be a Board meeting following this breakfast meeting.
- The Centenary Committee of Rotary Districts 9500 and 9520 have invited our Club members and friends to "A Picnic on the Lawns at Government House" on Sunday 27 February from 4.30pm to 7.30pm at a cost of \$5.00 per person. See the notice further in the Bulletin.
- A card was received from Shirley Emmett on the occasion of her birthday and Don and Shirley's best wishes were passed on to the members for a Safe and Happy Christmas.
- We have received an email from Audrey Leong who is Secretary to the Mayor and CEO of the City of Unley. She refers to a discussion she had with president Ron about a meeting to be held at 6.30pm in the Mayor's Parlour on Tuesday 21 December to discuss arrangements for Australia Day. As this meeting won't be on a Club meeting night most members may be available to attend. Would any members who would like to be involved in those discussions and with the Australia Day events please see President Ron.
- There is a Thrift Shop Committee meeting this Saturday morning at Mama Camella's.

On the Spot

Geoff Hill: The Thrift Shop Committee is in the final stage of negotiation for a new lease. We are awaiting the legal ratification of the document. If this occurs by the weekend it is proposed that we start clearing the Thrift shop and put articles in for storage. If this is the case we will be calling on volunteers to help with this process.

Kaylene Kranz: It was with regret that Kaylene informed the Club of the sudden passing of Mark Henschke. Mark was a member of the GSE Team for our District that traveled to Canada last year. Mark worked in Education and was instrumental in attracting many overseas students to study in South Australia. He led a government delegation to India prior to his trip to Canada. Mark's fiancée who was from Texas survived the accident, however her friend who had come to Australia to visit was sadly killed with Mark. Expressions of sympathy have come to Mark's family from all of the countries where people knew him. Kaylene would like it recorded that this Club respected his short but very effective life as our GSE representative. Vale Mark Henschke.

Mavis Martin: The Fundraising Committee has arranged a number of activities for the forthcoming Christmas event. There will be lots of activities for the dinner. To participate you will need to bring small change so that you can have many attempts of winning the many prizes of wine etc. Remember lots of dollar coins and lots of 20 cents coins.

Greg Love has received a letter from the community where Bertha lives. She was the young lady who came to us for facial surgery. It has been decided to use monies that they have been given previously to build a volleyball court with the appropriate equipment for the community to use. There are some photos and a copy of the letter sent at the top table for members to read.

Bob Laws: The Major Projects Committee is involved in a number of projects over the next three years. We are running the OSSA program, sponsorship for RYLA, and RYWELL and the 70th birthday celebration in April 2005. There is a meeting of the sub-committee on Saturday for the birthday celebrations, involving Kaylene, Ken, David M, Darrol and their good friends. The meeting will be followed by a bowl of spaghetti and a glass of something red.
