From President Ron

- President Ron and Joan attended the Port Pirie meeting last Thursday night. They have 54 members and are a very strong and organised club. They are our Number 3 daughter and were chartered on July 12th 1956. They are very keen to have a Joint meeting on a Saturday night with a BBQ Sunday and would offer home hosting. This event may take place around the 1st week of June. President Ron took the opportunity to invite them to the 70th Anniversary dinner and we are hoping for 2 tables. Also President Ron informed our members that they have a club assembly every month.
- A reminder that next week's meeting for Tuesday the 15th of February has been changed to the 18th of February to enable more members to attend the Centenary dinner at Morphettville Racecourse.
- The Bowls night with Mitcham will now be on the 15th of March.
- Eve Simon who's husband was a member of our Rotary club turn's 90 on Saturday and our club extends warm wishes to her and will send some flowers.
- The conference registrations have arrived and have already past the earlybird registration fee. President Ron has contacted DG Euan Miller who has confirmed that any members attending Port Lincoln **can pay the early bird registration fee.**
- We have received e-mail from DG Euan Miller to inform us that there are still tickets available for the Centenary Dinner the 18th of February. It promises to be a go evening and a very memorable one. There is a great raffle on the night and McLaren Vale and Morialta are launching their International Gold Rose on the night. If any one wishes to have tickets please contact President Ron before Friday the 11th of February. There are also places still available for the church service and the Government House function on the 27th of February.
- Also DG Euan Miller congratulated the clubs on the outstanding financial support that has been given to the Eyre Peninsular fire appeal. There are currently two Rotarians working in the area helping with the clean up and there is room for plenty more. The farmers are about to start refencing so help is desperately needed. All accommodation and meals are catered for.
- President Ron thanked Mount Barker President and members for their hospitality and hoped that this would be the first of many such meetings

On the Spot

Geoff Hill: The Thrift shop has been moving along well and it is hoped to have the Grand Opening in the next couple of Saturdays approx the 19th of Feb. There has been an invitation extended to all the volunteers to come to the new premises at 170 Unley Road on Monday the 14th between 10.30 to 3.30, Wednesday 16th between 10.00 to 3pm and Saturday the 19th between 9am and 1.30pm to not only have a look at the premises but assist in some of the jobs required .

Bob Laws: A reminder about the 70th Anniversary dinner on the 9th of April in the Hilton Grand Ballroom. The cost is \$55 per head for a 3-course meal with a pre dinner drink included in that price. Please start thinking about getting a table together. The invitations are about to be sent out to all of the clubs. Our Governor Marjorie Jackson Nelson will be attending

Sergeant's Session

The Sergeant for the night was David Middleton. Natalie Bowen won the wine. No Lucky Square was drawn for the night

Our Guest Speaker

The guest speaker was Grant Paech, the 5th generation family member of Beerenberg Strawberry farm. Grant gave the audience a very entertaining session on the founding of the Beerenberg jams and pickles, and explained how he became quite proficient in making jam in the early days.

An Email from Melissa Mathie our overseas student

No there is only one boy who is 11 but the school is really good and I have made some good friends already who live in my street, I have requested to say in the 10 grade the kids are about 16 17 though so that is fine they are really nice and they are the reason I wanted to stay in the tenth grade you see after three week's I was going to move up to the 11 grade This is when the yr 11 come back from work experience. There is also a class excursion to Holland they said I can go it is around 250€ so I will have to save up but it definately will be worth it. They are hiring a sailboat and the class is going sailing for several days.

I will write again so but there are only about 5 computers in the school, which is unfortunate, but I will try asap
