From President Ron

- A letter of thanks from the RYLA committee for the catering done for the meeting on Sunday the 6th March Thanks to Joan and Martin for attending and for making this day a success.
- To all committees please be aware that tonight is committee night. President Ron has asked that they review their business plan and identify targets that have not been met and set out to complete them by the 31st of May. Everything must be wrapped up by this date to enable the new committee s to meet and plan its work in June ready for the New Year. The club by-laws requires this plan together with the setting of the budget to be approved at the next board meeting in the New Year.
- We have 3 new members who have indicated that they wish to join Bill Spencer, Noelene Axford and Jill Reynolds.
- We received a letter from Janet Pearce thanking us for the flowers that we sent on the occasion of her birthday.

On the Spot

Joan Reed: At the New Generations committee meeting last week the Exchange student program was discussed. It was decided that if this program was to continue then it should be well planned in advance. The documentation has been passed on to President Elect Kaylene. Also to follow up with the silent auction David Middleton has supplied a list of all businesses contacted. I would like some volunteers to phone some of these businesses as a followup after the closing date to see if they are willing to contribute to the auction.

Geof Hill: The roster is being filled but there are still vacancies for some of the mornings. We currently need extra help out the back to help Jo with the sorting and pricing. Thank you to Kathryn Howard and Issa to coming to Jo's call for help last Saturday. You did a fantastic job. The roster is being passed around tonight please endeavour to fill the vacant spots

Bob Mullins: The bowls night is looming on March the 15th at the Millswood bowling club in Millswood Crescent. There will be a BBQ and volunteers were asked to indicate their willingness to help with it. Names were registered with Bob. Approximately 20 members indicated their interest. There is a bar there and it should be a very good social evening. Cost is \$15 per head. The inter club meeting with Pt Pirie has been locked in for the 4th and 5th of June. There are plenty of motel rooms and cabins as well as home hosting. Natalie kindly volunteered to liase with members regarding accommodation. There will be a function on the Saturday night followed by a BBQ in the Flinders Rangers on the Sunday. Bob also called for a volunteer to do his shift in the thrift shop. Joan will cover this.

David Middleton: It is only 5 weeks to the auction and items are starting to come in. Now is the time for all members to followup the people and items that they mentioned at the beginning of this process. At the Thrift shop the room I the far left-hand corner has been nominated as an area for items to be stored in. We need to have offers of Dinners from restaurants and Alcohol packages. Also on the night David will be the MC and he needs someone to run the auction. Thank you to Sheila for taking on that role. Remember there are letters with the bulletin and if anyone needs a fax sheet Joan has some. **To open the documents go to the option box and click on this then at the next selection select remove data. If you have problems phone Joan who can assist you.**

Darrol Foote: Please see him with your bookings for the dinner on the 9th of April. The cost is \$55 per head for a 3-course meal with a pre dinner drink included in that price. Please start thinking about getting a table together. Some tables have already been confirmed. Members please think about other friends that you can invite to attend this grand event. We would like RSVP's by the 15th of March, we need to support this function so could all members see Darrol about booking their table preferably at the conclusion of tonight's meeting.

Bob Mills: It is time for the 27th Police Officer of the Year awards, and the fliers that are on the tables were designed by John Nowland and look spectacular. They have been distributed to all the clubs in 9520 and 9500 and the SA local government bodies. The presentation is on the 10th of May and has the official launch in the Rundle Mall at lunchtime and the evening dinner at the Unley Community Sports Centre. Please take the fliers from your table tonight and distribute them into the community.

Mavis Martin: On Tuesday the 31st of May our normal meeting night will be at the Wallace Theatre Richmond Road Richmond. The cost is \$20 per head, which includes a movie "Cold Mountain", and a Finger food meal. There will be a short meeting prior to the movie being shown. The Movie is a drama Romance and should be very good as Natalie recommended it.

Stephen Westgarth: Payment for the club polo shirts is now due. The sooner the money is paid the sooner the order will be filled. For the members who have inquired about the long sleeve version the supplier is still looking this at.

Ken Daly: The Unley Way to Go which is at the Unley oval the 20th of March will be an information booth on Rotary with a focus on the projects that we are involved in and to use it to attract more new members. A roster of members is being currently waiting to be filled and volunteer's names will be taken tonight. People are needed for a 2-hour time slot. All times were filled with thanks.

Greg Love: Greg is currently trying to get in touch with the Mary Knoll Sisters so that we can arrange to forward our donation to them. If any one knows how to contact them please let Greg know ASAP.

Presentations

Paul Howard presented Mavis Martin with a certificate of appreciation from the District Committee of the Youth Exchange for her service to Rotary as Jess Henderson's counsellor and congratulated her on doing such a good job.

Jerry Casburn presented our club with a banner from the St Ives Club in Sydney where he is currently a member.

Sergeant's Session

The sergeant for the night was Bob Laws. Stefan Neszpor won the lucky square and Peter James won the wine.

Guest Speaker – Tony Nolan

Sheila Evans introduced our guest speaker for the evening who was Tony Nolan. Tony is a very good friend of Sheila's and we are very thankful that he was able to fill the guest speaker spot at short notice. Tony was originally from Pt Pirie and for his "sins" spent quite a lot of time in Taillem Bend and Peterborough. He has had over 30 years in Transport SA where he was responsible for the security. He is also a JP and a Business Broker and a Marriage Celebrant (Might come in handy – Ed.).

Tony gave us a very good insight into the use of security devices that Transport SA uses to deter vandalism and graffiti, which is a huge problem. One story that seemed remarkable was one of the employees of Transport SA was reporting graffiti and vandalism on a very regular basis and he was the person responsible for cleaning the area and restoring it back to the pristine condition only to be caught on security video as the person with the vandalism talents. Needless to say he was no longer required. It was also pointed out that colours are used to try and subdue the moods of would be vandals and this can be seen in hospitals etc. Tony gave a very interesting talk; once again thank you for coming at short notice.
