Now is the time for all members to followup the people and items that they mentioned at the beginning of this process. At the Thrift shop the room I the far left-hand corner has been nominated as an area for items to be stored in. We need to have offers of Dinners from restaurants and Alcohol packages. Also on the night David will be the MC and he needs someone to run the auction. Thank you to Sheila for taking on that role. Remember there are letters with the bulletin and if anyone needs a fax sheet Joan has some. **To open the documents go to the option box and click on this then at the next selection select remove data. If you have problems phone Joan who can assist you.**

Darrol Foote: Please see him with your bookings for the dinner on the 9th of April. The cost is \$55 per head for a 3-course meal with a pre dinner drink included in that price. Please start thinking about getting a table together. Some tables have already been confirmed. Members please think about other friends that you can invite to attend this grand event. Report On the Bowls Night

What a wonderful night. After four years of humiliating defeats, we were able "to bring the bacon home" with a 43 to 29 win against bowling foes Mitcham. The inter club meet was again an outstanding night of club fellowship. President Ron on behalf of the club would like to acknowledge the efforts of Bob Mullins, Anne Wehr and Glenys Ferguson in organising the evening. For the BBQ, sweets and later a touch of country style supper with sandwiches and cake, Anne and Glenys take a bow. **Also thanks to Genese Mullins who did a great job** in the kitchen with the salads dishes and desert, thankyou very much. Also the boys on the BBQ Ken Daly and Geoff Hill contributed to a great and very successful evening. Without this input from members we would not have had such an enjoyable evening.

By Laws Amendments

Greg McLeod and Greg Love of the By-laws Special Committee next week's meeting on how the club would like the process of future President's and Vice President's to be appointed. The present system had a Nominations Committee consisting of the few immediate past presidents nominating a suggested candidate to the Board. The Board then makes that appointment.

There is a body of opinion that would like to nominate the President and the President Elect from the floor. There are advantages both ways. The two Gregs will fully explain on Tuesday.
