- Four members will attend a Whyalla meeting on Wednesday tomorrow night where the District 9500 GSE team consisting of a team of Indigenous American Indians from California USA. This is a unique occasion and I understand this is the first time this has ever been attempted. I understand they have performed with incredible flair and ability we look forward to receiving a report from those who visit.
- The City of Unley Mayor's Mayoral reception last Friday night was very successful and was attended by 18 Rotarians and 12 partners. Mayor Michael Keenan PHF said he was happy to be associated with the Rotary Club of Unley. He sees us as genuine and sincere people working diligently in the community. Mayor Michael presented the club with a plaque commemorating our 70th Anniversary. It has been suggested that we ask council to hang it up in the Library. Personally I think this is a good idea, however the Board will decide. I responded and thanked the City of Unley for their support over the last 70 years and pointed out the close co-operation of the council and our club over that time. Nine Mayors were Rotarians plus Michael Keenan the current mayor (Honorary Member), and nine Rotarians have been Councilors, including Bob Mullins, Bob Mills, Greg McLeod, Robert Birnie and Joan Reed.
- Gerry Casburn is a grandpa. Congratulations Gerry.
- Many people sent their best wishes and apologies for non- attendance at our Anniversary Dinner. The list is too long to read but they will be published in this week's bulletin.
- Eamonn Vereker invites our club to send a representative and partner to attend an invitation only opening party night on Friday May the 6th at 7pm to his Pagan Christians and Celt's exhibition, coinciding with the huge Glass Art Society and Ausglass Conference. The entertainment will include glass blowing demonstration, 6 Irish Harpists, pipe playing, singing wine and cheese tasting. We need someone to represent our club Thank you Mavis Martin and Richard.

Our Guest Speaker

Tonight's speaker was Pastor Morrie Thompson who works with the "Teen Challenge" organisation. Morrie is known for his work in the Aboriginal communities and at the moment he is working with the Pitjantjatjara communities of Papunya and Fregon. This organization is taking the youth from these communities to camps at Waikerie where they are given the opportunity to experience other activities. They are also looking at ways of taking the activities to the communities in the Far North West to help advance the opportunities for the youth who are isolated by distance and poverty.

Also, it was raised that these communities also suffer when they come to the city for various reasons, e.g. medical appointments etc, and the issue of isolation and lack of community supports for them in the city.

It was a very enlightening talk.
