From President Ron

- Pres. Ron had a phone call from the President of the Port Pirie Rotary Club Graham Nicholls. Arrangements for our visit to their club on the 3rd to 5th of June are well in hand. There will be a Bush Tucker night on the Saturday night, breakfast in the park on Sunday, and a bus tour of Port Pirie is currently being contemplated. Accommodation has been reserved please see details in the reminder section further in the bulletin.
- Members of the Board and the 70th Anniversary Committee attended Government House last Thursday and presented the Paul Harris Fellow Sapphire Pin to Her Excellency the Governor of SA Marjory Jackson Nelson. To our surprise, just inside the entrance a glass display cabinet displayed the PHF she received 10 years ago at our 60th. Her Excellency is very proud of that award and the sapphire pin will be placed along side. She will wear it on official Rotary functions. We were entertained with morning tea and a tour of Government house.
- The Salvation Army Red Shield Door Knock appeal will be conducted on the 28th and 29th of May. Could all members please make themselves available for 2 hours on a Saturday or Sunday to help with the collection. President Ron stated he will be disappointed with any Rotarian who can't give some time to this very important annual appeal. Ken will be getting names next week so check your diary. More detail to follow in the next Bulletin.

Sergeants Session

There was no sergeant session this evening.

Presentation to The Police Officer of the Year: Kelly Fletcher

It was with great pleasure that Bob Mills presented Kelly Fletcher from Whyalla with her award. Kelly was nominated for the tremendous support and encouragement she has given to the youth and general community of Whyalla. Especially the youth who have a history of offending. Kelly was described as having a strong sense of commitment in carrying out her police duties by creating and promoting opportunities for young people to improve their educational levels, self esteem and their relationships with all members of the community. She is actively involved with many committee and programs aimed at improving the lifestyle of the local young people. She has been instrumental in getting together some netball ms and fundraising to obtain uniforms for them. This has proven to be very popular with the youth of Whyalla.

In accepting her award Kelly expressed her thanks the wonderful support she has received from her husband and members of the Whyalla Police department.

Bushfire Recovery

A number of clubs have sent teams to Port Lincoln to assist farmers with clearing burnt sheds, barns and fence lines and erecting new ones. Some stayed on after the conference to assist as well. I am very proud of your efforts, in what are often very emotional circumstances, as local landholders desperately try and reestablish their lives and livelihoods for their families.

Fund raising is also still going strong. The GSE team from Scotland raised \$5,000 from its presentation meetings and presented this to PE Ron Carey of the RC Port Lincoln at their farewell dinner. The raffle at the DG's banquet was so successful that the District Secretary had to scrounge Port Lincoln on the Saturday night for more raffle tickets. Not an easy task in a small town with the shops shut! However a local hotel came to the rescue. We are very grateful to the team for this initiative and their request to see the devastation at first hand whilst they were in Port Lincoln. Each team member as a result of the experience put in \$50 towards the appeal.

So many clubs and other organisations have donated so much money that the RC Port Lincoln has exceeded its fund-raising target for the two water take-up points at Port Lincoln and Cummins. These will be two large water towers with the Rotary symbol proudly displayed on the side. The club has now extended its campaign to the purchase of a water bombing aircraft to be permanently located at Port Lincoln. One Adelaide-based 4WD club wanted to get into the Rotary spirit and offered the \$10,000 it had raised to the RC Port Lincoln. However it thought Rotary and Lions was one and the same organisation and sent the cheque to Lions International instead! However the two organisations have sorted it out and the cheque will be forwarded to Rotary.
