Attendance	68%

From President Ron

- President Ron and Joan would like to invite you and your partners to attend a BBQ at home at 5 Braeside Avenue, Myrtle Bank on Sunday 26th June from 12.30pm onwards. Please bring a communal salad or desert, and BYO drinks. Meat will be provided. Partners and children are welcome. Let's finish off a successful year by the club and allow President Ron to say thank you for everyone's support. A list is being circulated tonight for an indication of your attendance and if you could also indicate whether you are bringing salad or desert.
- Don't forget the Changeover dinner on the 12th of July at the Colonial Function Centre. Full details are in the invitations that have been distributed to all members.
- Issa leaves in the first week of July. She will present her farewell speech on June 28th.
- Joan and I attended the District Governor Arthur Manser's induction at Berri last Sunday. Approximately 180 guests were in attendance with many from the Riverland and Mildura and a large contingent from Adelaide. During the dinner Unley and a number of other cubs was presented with the President's Citation for demonstrated excellence and exceptional achievements.

Spots

Martin Cooper: As previously mentioned Unley is sponsoring RYLA this year at Nunyara in July. They are currently seeking participants to attend the weeklong activities. If any member knows of any between the ages of 18 and 25 who would benefit from this leadership program please see me so we can submit their names. As well as hosting the camp for RYLA we are also hosting the awardees Graduation Dinner on the Saturday night. This is the 23rd of July at Ayres House. Cost is \$34 per head for a great 3-course dinner, and it is a partner's night. We have Ann Lee doing a piano solo and it will be an excellent evening Partners are welcome. Also on the Tuesday night there is a BBQ following an orienteering exercise and if any members would like to come up and help with the BBQ and meet the participants please see Martin. These nights have a reputation of being excellent.

Bob Laws: There is some wine still to be collected ASAP. Bob has it with him tonight. Money is still outstanding and payment for outstanding amounts would be grateful

Geoff Hill: Thank you to every one who helped with the busy bee and a lot of work was achieved. Work commenced on cleaning out the shed and items have been moved up to the Thrift shop storage area. We need to start the next roster for the shop. If people could put their names on the emergency list at the bottom of the roster. If you are rostered on to the Thrift Shop and are unable to make your shift please try and find a replacement. Joan will include the current roster as an attachment with the bulletin so that you can check your diaries.

Mavis Martin: Thank you to every one who attended and made the film night a great success. Approximately \$500 from that night and this included the Whisky raffle.

Sergeant's Session

Bob Laws was the Sergeant this evening. Ken Haines won the wine and Ken Daly won the Lucky Square

Guest Speaker: Bob Ward [President Elect Port Pirie] “Sister Club Projects in the Philippines”

Chairperson Bob Mullins introduced Bob Ward. Bob Ward has been a member of the Pt Pirie club for 10 years or so and the Pt Pirie club has 54 members. Bob is married the Bernice and they have 4 boys who are all married and they have 9 grandchildren. He is also a member of the 9500 Youth Exchange committee. Bob has recently returned from the Philippines and he is going to talk about the projects that they have in progress in their Sister City Rotary Club of Dau is in Angelus City, which is in the Northern Philippines.

Port Pirie first became involved in the early 1990's with approximately 15 of their members making a yearly visit to the region. They have set up a sewing machine school to train the young girls so they can gain employment to support their families. Since the program began approximately 4000 have gone through the training with about 95% being successful getting work. On their recent trips they found that out of the 19n machines that were there only 7 were still working so they are looking at ways of obtaining more machines for the future. The classes run for a 4-week period with about 30 students going through. These courses are run every 6 weeks, and there is a graduation ceremony at the end of each course.

Other projects that they have been involved in are furnishing the school with desks and chairs, so that the children do not have to sit on the floor for schooling. Also they are investigating the issue of the drinking water. They have a very large rainfall but very little drinking water due to the contamination in the atmosphere so they are looking at rainwater tanks with various options e.g. aboveground or belowground. They are also having an exchange program for teachers with the first one occurring in a few months time with a teacher coming here for a 3-month period.

This project has proven to be a very rewarding one and all members who have gone over has describe it as a life changing experience not just for there members but also the Rotary club of Dau with some of there members coming over for the club's changeover in July.
