From President Kaylene

Welcome to all members in attendance.

President Kaylene detailed the up and coming visit of the District Governor, Arthur Manser. DG has eight clubs to visit with some of the clubs in the district reaching milestones. Reynella celebrating 20 years, Mobilong 25 years and Campbelltown 40 years, just to name a few.

President Kaylene also advised that the board meeting for this month will be held on 20/9/05.

Next week is the club's membership information night to be held at the Unley Club. President Kaylene advised the importance of the night and stressed to ALL members to attend the meeting on 13/9/05. We have about 20 visitors that will be attending that night and these guests will be allocated a mentor for the night. The mentors will receive a phone call from President Kaylene over the weekend advising them of the guest they will be looking after on the night.

Let's all make a concerted effort to attend on 13/9/05, as this is the club's major membership drive for the year.

The meeting for next week will also be followed up by a partners night for the visitors on 27/9/05 at a restaurant, which will be advised at next weeks meeting.

Spots

Sheila Evans spoke on the upcoming Rotary Health Foundation – Mental Health Forum to be held at the Unley Civic Centre on 11/10/05. A dinner has been organized at Mama Camilla's instead of the normal dinner at the Unley Club. All attendees will then make their way after dinner to the Unley Civic Hall, which is directly across from Mama Carmela's. This is a worthwhile cause with 20% of the population suffering mental health as some stage in their lives. Leading up to this event support is needed from members to deliver flyers and assisting with the set up of the venue on the day of the forum. Anyone who can assist please see Sheila for more details.

Bob Laws indicated that the membership drive was in full swing, 20 people so far have indicated that they will attend on the 13th Sept. Bob also advised that he will have more details relating to the partners night at next weeks meeting.

Bob also spoke on behalf of Geoff Hill who had just returned from his honeymoon and was unwell. Geoff is looking for sorters to assist at the Thrift Shop this Saturday, 10/9/05. Any one who can spare an hour of their time on Saturday would be greatly appreciated by Geoff.

Stephen Westgarth again sought the support of members for the sale of our Watervale Riesling from O'Leary Walker of Clare. @ \$100.00 a case. If you have ordered wine please see Stephen with your money. No money, no wine.

Geoff Dunn gave us a very informative insight on how the 4-way test originated. The 4-way test is now used by businesses the world over.

Sergeants Session

Jerry (with a J) Casburn was Sergeant for the night and for the fines decided to play a game of heads and tails. Each member put in \$2 to participate, with the eventual winner being Stephen Westgarth.

Guest Speakers - "This is your life" segment chaired by Bob Mills

Two of our own members, Jim Newell & David Payne, were our guest speakers. These segments on hearing about our own members are becoming very popular as we all get to know our fellow members in a different light.

First, Jim Newell spoke on his family, his upbringing and where he was educated. After matriculating he became a trainee accountant and then moved into management accounting where he had various roles in iron & steel supply management. Jim retired in 1998. In September 1984 Jim joined Rotary filling various committee positions such as attendance, treasurer, secretary and community service. Jim's interests include woodwork, clocks, wine – Clare Valley and reading mainly non-fiction, Australian History and biography's.

David Payne spoke next. David was born on St Valentine's Day in 1937. His Dad was a schoolteacher. David was educated at Goodwood Primary, Unley High School and then Prince Alfred College. David spent 1 year at University before becoming an estimator with E&WS for 4 years. David was then involved with National Service off & on over a 3 year stint. David then moved from a

government job to Bradford Insulation for 13 years before forming his own insulation company with a partner before the business was sold due to the recession that we had to have through the then treasurer, Paul Keating.

David was married in 1959 and has two daughters. He has three grandchildren in Adelaide and two in Canberra. In 1986 David joined Unley Rotary Club after being offered to join West Torrens and Hindmarsh clubs. David is a Paul Harris Fellow and has been chairman of community service. In 1996-97 he was thrown in as president. He has also been a great supporter of the Thrift Shop being an organiser for some 7 years.

Well done to both speakers on the night and we all look forward to hearing the life and times of more members.
