This Saturday Helping Hand, Nth Adelaide is holding a BBQ. President Kaylene & Ken Haines are helping with the set up but more volunteers are required to assist with this fundraiser. If any members are free on Saturday please call President Kaylene for more details.

Stephen also advised that there are some bottles of the Jeanneret Red for tasting tonight and you can place your orders with Stephen; \$120 a dozen which is great value or \$10 per bottle.

Broken Hill District Conference in April 2006. Stephen would like to see as many members attend as possible. Please see Natalie Bowen to book your accommodation for this conference.

Jo Blowes is back at the Thrift Shop after injuring her ankle but has now hurt her wrist and will be undertaking light duties.

Popeye cruise on 15/11/05. Please book your seat. This is a family night with children and grand children welcome. Food will be supplied. The owner of Popeye will be speaking on the history of the Torrens, the boat and surrounding buildings, bridges etc, it will be an informative night not only for us but the children. Numbers are coming in slowly so can we all make an effort to attend this family night. Pre-payment is required.

Spots

Lindsay England reminded us about donations for the Walk for Cure that Unley Club always supports. The Club is looking for members to make a donation and whatever funds are raised will match dollar for dollar.

Ron Schubert: There are still 14 members with subs outstanding. Can you please make payment to Ron ASAP.

John Russell: OSSAA is holding a fundraiser with donation by gold coin. Hyde Park club is also coming on board to support this fundraiser. An art exhibition of invited painters and photographic art will be on display for purchase. The exhibition will be held at the Unley Town Hall on Sat 26/11 & Sun 27/11/05.

Sergeants Session

Jerry Casburn was the sergeant for the evening. Norm Wallace won the wine and the Lucky Square went to Helen Richter.

Guest Speaker

Sabina Hansen our exchange student from Denmark spoke on her home life and her family. Sabina also talked about traditional foods and way of life in Denmark. She spoke a lot of the different towns that she lived in as her Father gained a lot of new jobs in different towns in Denmark.

Sabina's presentation was well put together on a power point presentation with copies of maps, pictures of her family back home and the different towns that she lived in.

I hope to be able to provide more information in next weeks bulletin as I am awaiting Sabina to email me the presentation.
