Spots

Stephen Westgarth made a call for volunteers to attend a working bee to clean the light fittings in the shop and replace faulty tubes and starters. A Saturday afternoon after the shop closes would be a preferred time, more information later. In addition Stephen sought further Saturday volunteers for the Thrift Shop.

Stephen also thanked all those members who had completed and returned Member Survey forms; these will be summarised and the results provided at the Strategy Planning Workshop to be conducted during next week's meeting.

Bob Laws: May 13th. Bush Dance with The Old Gum Trio 7.00 for 7.30pm. Belair Community Hall, Belair (opposite BP service station, Belair triangle). The cost is \$25/head, including introductory drink & supper, with a cash bar; Proceeds to OSSAA. For tickets & further information please contact Robert Cesana 0407 713740. Organised by The Rotary Club Of Hyde Park.

Bob also informed us that he would be conducting a pizza night at his home on April 28th for members of less than two years; more details next week.

Ron Schubert: Indicated that he has accepted the role of the coordinator for members attending the District 9520 Conference at Broken Hill.

Ron is still seeking half-year club subscriptions from nine members: "You know who you are".

Bob Mullins reminded members of our visit to our daughter club prospect on the 19th.

Sergeants Session

Sergeant Bob was in good form (and looked great in long pants). As some sections of the floor were a little frisky, which is more than anyone could say about the last Port Power effect, Bob had to use the mike and whip to keep order. Loved your joke mate. A bathroom scale that goes from 0 to 100 in three seconds!

Guest Speakers: Dr Karli Hayward & Natalie Moore

Chandra Sluggett introduced our now graduated Indigenous Medical Scholarship Student, Dr Karli Hayward, is now working at the QEH, and our new Indigenous Medical Scholarship Student, Natalie Moore, is doing Paramedical Studies at Flinders University.

Dr Hayward told us that she left school at year 11 and was pregnant at that time. She now has four children. She completed a Foundation Course for Indigenous Students at Adelaide Uni and went on into a six-year medical course at QEH. When she started her and other indigenous students were told to "leave their culture at the door!" Karli thought that was very hard and she and others lobbied for change in that regards. Her current plans are to do one year's GP training and then to get out so to work with her people in the field.

Natalie Moore's father's people come from Derby, three hours from Broome. She has always lived in Adelaide and detailed to us her love and involvement in sport. She finished Year 12 last year and is now enrolled in a three-year Bachelor of Health Science and Paramedical course at Flinders Uni. During Year 12 she was a National Science Student and attended the Youth Parliament in Canberra.

Currently she is studying Critical Thinking and Interpersonal Skills which she believes is greatly assisting her in all aspects of her life.

Natalie is funded, as was Karli, by Rotary and the SA Health Department.

Both Karli and Natalie sincerely thanked the club and look forward to visiting again. After questions and positive comments from the floor, President Kaylene presented Karli with red roses.
