President's Announcements

1. We have received an invitation for interested members and their spouses to attend the RAWCS Annual Presentation Dinner. (Rotary Australia World Community Service). The dinner will be at the West Adelaide Function Centre on Friday 24th August. The cost of the two-course meal is \$26 per head and you buy your own drinks. Any members interested in attending should see me and I will provide them with the details.
2. This year the District 9520 Conference has been bought forward to October 12th to 14th at Westminster School. There will be no accommodation required and there is a pricing structure that allows you to attend the conference and not the dinner on Saturday Night if you prefer. The cost of the dinner is \$70 per head and the cost of the conference component is \$110 for early registration prior to 30th July. The programme looks interesting and I suggest that those interested in attending come along armed with our chequebooks or credit cards to the next meeting.
3. There is a Board meeting tonight the last of the Board meetings to be held after a meeting night.
4. There will be a Club Assembly with a difference in two (or three) week's time and each committee chair will be called upon to give a one-minute presentation of their committee's plans for the coming year. Presentations should be provided in dot point form prior to the assembly.

Spots

Natalie Bowen has sent a letter to everyone about the role of Almoner. Please change Ron Schubert's Mobile to 0407799432 and his work number to 83734220.

Bob Laws called for volunteers for the Thrift Shop roster. Also thank members for helping with the working bee scheduled to have another in August. Also thank you to Joan Reed for organizing the Volunteers Morning tea.

Sergeants Session

Geoff Dunn, the Birthday Boy, capably conducted the session. The lucky Square was won by Neville Highett and Joan Reed won the wine. (Deserving winners I might add *ED*). Many Rotarians were fined justifiably by Geoff. A few good jokes thrown in for good measure

Our Guest Speaker

Our guest Speaker Graeme Smith was introduced by Bob Mullins. After a corporate career, including 10 years with Ford Motor Company and 8 years in National Sales and Marketing roles, Graeme has spent 15 years owning and operating automotive dealerships, and from 1993 as Managing Principal of Kaizen Consulting Group and Organised Business®.

Kaizen was involved in two connected business activities - the development and delivery of training curricula, and consulting to SME's in diverse industries in Quality Systems, with the aim of certification to an International Standard.

More recently, Graeme's preferred style of client interaction has switched from consulting - providing advice - to coaching via SeniorCoach.biz™ - asking questions and assisting the client to decide on the most effective solution to business challenges. Graeme utilises the diverse experiences gained from owning and operating his own business, with his years in Quality Systems and Promotional Marketing, in the role he describes as a Business Relationship Facilitator.

Graeme's Philosophy

"Everything I have done in my business career has led me to my current passion for assisting clients to develop their relationships with the two categories that matter most - clients and employees of high lifetime value."

Graeme started his talk with a few important statements Always borrow from a pessimist, It is only 99% of lawyers that give them a bad name,

The effect of the number of Baby Boomers (BB) and retirement were the subject of Graeme's talk. In 2010 the majority of the BB will be turning 65. this will equate to 20,000 per month. In 2020 1/3 of our homes will be occupied by a single person. We need to look at the issue of age friendly housing for this group as the majority live in older homes that require more maintenance, it needs to be secure and the individual independence needs to be maintained. Most of the BB children are a 2 income family and it is felt that forget the inheritance think about themselves. The government should be doing more to keep people out of nursing homes by doing modifications to home an increasing home maintenance and home care.

A very thought provoking talk.

An Email From Our English Visitors

Jerry, Please pass on to your fellow Rotarians how much we appreciate the kindness and friendship shown to us on our recent visit. In particular Lindsay and Linda, Mavis and Richard, Martin and Angie, Joan and Ron and Mark and Anne. Also, if you could thank Russell and Dinah and tell Russell that concerning the men's Wimbledon final that I told him so. Thanks to all for making it such a pleasant trip. Best wishes to all, Val and Dan

It was lovely to meet Jerry's relatives and to hear about what Jerry was really like!

The Rotary Foundation: **OUR** Charity Seminar, Sunday 22nd July

The Rotary Foundation (TRF) is a remarkable project of Rotary International and yet very few members can really describe "OUR" Foundation or explain how it can support Rotarians. **The Rotary Foundation Seminar is designed to remedy that! It is to be held at Enterprise House, 136 Greenhill Road, Unley on Sunday 22nd July from 9.15am until 12.45pm.**

All Rotarians, particularly those who have never attended a Foundation Seminar, are invited. The seminar will give everyone an oversight into the workings of OUR Foundation as well as providing some details of how The Foundation can serve our Clubs.

Please set aside that Sunday morning to learn about this very important part of Rotary.

PDG Peter Sandercock, TRF District 9520 Chairman. Please email your response to: ppsandy@bigpond.net.au by **19th July**

JOKE OF THE WEEK: Top joke in Australia

This woman rushed to see her doctor, looking very worried and all strung out. She rattles off: "Doctor, take a look at me. When I woke up this morning, I looked at myself in the mirror and saw my hair all wiry and frazzled up, my skin was all wrinkled and pasty, my eyes were bloodshot and bugging out, and I had this corpse-like look on my face! What's WRONG with me, Doctor?" The doctor looks her over for a couple of minutes, then calmly says: "Well, I can tell you that there's nothing wrong with your eyesight...."
