Martin Cooper informed the club that there is to be a membership workshop on the 26th of August 2007 at Annesley College in the Gillingham Hall. Both Districts will be attending. It is for 2½ hours on a Sunday morning from 9.30 till 12.00. Facilitators are Warren Hobbs, Euan Miller and Greg Love The format will be main platform speakers before the coffee break and then the opportunity to attend break out sessions before the feedback and close. Could members note it in their diaries and try to attend?

Stephen Westgarth: Envelopes are being distributed with the accounts for the fees. Costs are \$90 for ½ year and \$15 for the Bulletin to be posted, the wine raffle is now \$36 and for those wanting to participate in the Centurion program you can pay ½ now with the payment of \$50.

Sergeants Session

Bob Mullins was the next from the Sergeant's stable to impose penalties on transgressing members of the club. Needless to say the showdown got a few dollars from members. The **wine raffle** was won by **Bob Mullins (must be rigged)**, and the **lucky squares** went to **Bob Mills**.

Guest Speaker - DG Peter Ochota

Peter spoke about the successful board meeting he had prior to our evening meeting. During his presentation he focused on the need to cater for the various age groups e.g. the under 40's and the Rotoract groups. Perhaps breakfast meetings could be popular. Peter emphasised the need to keep in contact with the alumni of the club all the people that we sponsor are all potential members, In District 9500 they have formed a club for the under 40's and called it Adelaide Edge and they are looking at forming another club.

A reminder of the information that can be found in the Rotary Down Under, read it regularly and then place it in a waiting room with contact details about our club.

Anyone interested to be on District committees speak with DG Elect Peter Shipp.

Overseas projects were promoted and more information can be found in Peter's newsletter on the District 9520 website.

A big plug for this year's conference and the idea of home hosting was also promoted; a very good way to extend Rotary friendships.

JOKE OF THE WEEK

A woman went to the doctor's office where a young, new doctor saw her. After about 4 minutes in the examination room, the doctor told her she was pregnant. The woman burst out of the room, screaming as she ran down the hall. An older doctor stopped her and asked what the problem was, and she told him her story. After listening, he had her sit down to relax in another room. The doctor marched down the hallway to the back where the first doctor was and demanded, "What's the matter with you? Mrs. Terry is 59 years old, she has four grown children and seven grandchildren, and you told her she was pregnant?" The new doctor continued to write on his clipboard and without looking up said, "Does she still have the hiccups?"
