Our Guest Speaker

Gary gave an extremely interesting overview of the road transport system in Adelaide to us. We were able to view the traffic conditions first hand viewing the Freeway and the Southern Expressway. The structure of the tunnels was explained in detail and it gave another feeling of Big Brother is watching us. It was enlightening to see the various intersections that continually give us grief.

A very good presentation which was enjoyed by all who attended.

Following the meeting members made their way to Finn McCool's for food wine and a Guinness.

JOKE OF THE WEEK

Top joke in USA:

A man and a friend are playing golf one day at their local golf course.

One of the guys is about to chip onto the green when he sees a long funeral procession on the road next to the course. He stops in mid-swing, takes off his golf cap, closes his eyes, and bows down in prayer.

His friend says: "Wow, that is the most thoughtful and touching thing I have ever seen. You truly are a kind man.

The man then replies, "Yeah, well we were married for 35 years."
