JOKE OF THE WEEK: The New Boss

If you've ever worked for a boss that reacts before getting the facts and thinking things through, you will love this!

A large company, feeling it was time for a shake-up, hired a new CEO. The new boss was determined to rid the company of all slackers. On a tour of the facilities, the CEO noticed a guy leaning on a wall. The room was full of workers and he wanted to let them know that he meant business.

He walked up to the guy leaning against the wall and asked, 'How much money do you make a week?'

A little surprised, the young man looked at him and replied, 'I make \$400 a week. Why?'

The CEO then handed the guy \$1,600 in cash and screamed, 'Here's four weeks' pay, now GET OUT and don't come back.'

Feeling pretty good about himself, the CEO looked around the room and asked, 'Does anyone want to tell me what that goof-ball did here?'

From across the room came a voice, 'Pizza delivery guy from Domino's.'
