President Stephen's Announcements

1. Disaster Aid/Shelterbox: Work continues to rebuild communities destroyed by recent disasters, attached is an update from Disaster Aid which provides a means of donating to the organisation. You may also want to support Shelterbox and details of how you can help personally as well as their latest news, see <http://www.shelterboxaustralia.com.au/news.php>.

2. Rotary Leadership Institute: Unley Rotary members interested in learning more about Rotary, or would like to meet Rotarians from other clubs and acquire some new ideas, or are interested in leadership positions in the Club or District in the future may find the Rotary Leadership Institute (RLI) can help!

The RLI is a series of three one-day courses that are fun, topical and geared to busy lifestyles. They are designed to encourage participants to contribute their experience and ideas in a group of no more than 15 as they grow in Rotary knowledge. A deeper understanding of the unique nature of each club is fostered with the style of the courses being conversational and learning coming by sharing knowledge, ideas and opinions.

Hopefully this learning will encourage participants to assist their club to attract members to an increasingly vibrant and project oriented environment.

The next RLI course will be held at Blackfriars College, Prospect, on the following dates: Saturday February 2, Saturday March 2 and Saturday May 4. Cost of the course is likely to be approximately \$180.00 and it is usual for clubs to pay this for their members.

Enrolment details will be available shortly but to reserve a place please contact President Stephen as soon as possible.

3. Cinema Advertising Campaign: The campaign has started and we are on screen. If you would like to see our advertisement, showings commenced on December 1st and run until February 2013; these are as follows:

Event	Marion	Cinema Nos. 1, 3, 4, 10, 17, 21
Greater Union	Arndale	Cinema Nos. 1, 2, 3, 7
Hoyts	Norwood	Cinema Nos. 1, 2, 5
Hoyts	Tea Tree Gully	Cinema Nos. 2, 3, 7, 8
Palace Nova	East End	Cinema Nos. 1, 2, 4, 7, 10

4. District Conference Bookings: This is a reminder that booking forms for the upcoming District Conference at Tanunda in April are available for downloading from the Members Area of the Unley Rotary website.

President Stephen

2013 Kick-off Meeting

Our first meeting for calendar year 2013 was an informal social get-together held at BarZaar in Unley Road. The members and partners who made it along had a very enjoyable evening catching up about Christmas and New Year events and family happenings.

Carmen and the crew at BarZaar put on a fine spread of finger food and Happy Hour drinks. Official business was kept to a minimum and the Attendance Desk (John Russell) and Sergeant (Bob Mullins) had a relaxing night off.

Thanks go to Briony and Jerry Casburn for the photos below.

Bob Mullins, John Russell, Alex Jonson and Wendy Andrews

Seated: Susan Westgarth, President Stephen, Roslyn Elms, Richard Taylor, Ken Haines, Mavis Martin (just), Margaret Payne, Joan Reed (back of head) and Bob Mullins; Standing: Reno Elms, David Payne, Glenyss Steedman, Bob Laws

Richard Taylor, Ken Haines, Greg McLeod and Mavis Martin

Spot Announcements

Australia Day Citizenship Ceremony Catering: President Stephen advises that Unley Mayor Lachlan Clyne has asked the service clubs in the City of Unley to again assist with catering for the "after party" following this year's Australia Day Citizenship Ceremony on Saturday 26th January. The clubs involved will again be Unley Rotary (setting-up and serving the food), Hyde Park Rotary (cooking the barbeque) and Unley Lions (setting-up and serving drinks). The City of Unley is providing the food, drinks, tables, marquees, chairs, etc.

The actual Citizenship Ceremony should finish in the Town Hall sometime after 10.30am when the new citizens and their guests will be invited to go to the Village Green for the after party. For our part we will need about six Unley Rotary volunteers from around 9.30am until 2.00pm. Please let President Stephen know or indicate your availability on the form circulated at club meetings.

Bunnings BBQ Fundraiser: Jerry Casburn has informed members by email that on Monday 28th January we have our first monthly spot at Bunnings for the BBQ. Arrangements will be made to provide all of the consumables and Bunnings supply the rest. We have been advised by one of the regular groups that we can expect to make between \$600 and \$700 each session, with twice this amount on public holidays, first session is a public holiday. Bunnings fix the price which is \$2.50 for a snag and \$1.50 for

Barbeque Fundraiser

cans of drink. The sausage sizzle has to operate from 9am to 4pm minimum, the operating hours for the store will be 7am to 5pm; we can operate within those hours. We will need setup time and pack up at each end of around half an hour.

We will need at least four people manning the stall throughout a normal day and six people on a public holiday. This may vary as we get experience. We have options, either two shifts, say 8am to 12.30pm and 12.30pm to 5pm or we plough right through. Jerry Casburn would like to get your feedback on how each of our Unley Rotarians could be involved with this project. Finally, Jerry needs volunteers. Can you please indicate on the form circulating if you can a) be considered to work on the last Monday of each month and b) be available on Monday 28th January.

Combined Club Meeting Proposal: President Stephen outlined a proposal for a “Mini Peace Forum” to be conducted by the Unley (D9520) and Adelaide West (D9500) clubs to supplement the joint Districts 9500/9520 Peace forum being held on 23 February 2013. The proposed Mini Forum would enable Rotarians who cannot attend the Forum on 23 February, or perhaps cannot afford the cost of the dinner, to attend a smaller but still very peace focused event during daylight hours on a subsequent date.

The intention is to hold the event around lunchtime on a Saturday in March 2013 at the Public Schools club, which is the meeting venue for both clubs.

The Unley Rotarians who attended the 2013 Kick-off meeting unanimously endorsed the idea of the combined Mini Peace Forum. Adelaide West Rotary members will be asked for their views at their meeting on Thursday 10 January; President Stephen will report on the reaction of the Adelaide West members at our next club meeting.

Rotary condemns attacks targeting polio vaccinators in Pakistan

By Robert S. Scott, Chair of the International PolioPlus Committee

Rotary International joins the Government of Pakistan and our partners in the Global Polio Eradication Initiative in condemning the recent attacks that have killed and wounded health workers in Pakistan.

The shooting victims are among the thousands of health workers and volunteers – including members of Pakistan’s 151 Rotary clubs – who are committed to saving children by stopping the transmission of polio in Pakistan, one of three countries where the crippling virus remains endemic.

The attacks prompted the Government of Pakistan to temporarily suspend the vaccination campaign due to concerns over the safety of health workers.

Rotary is deeply concerned that such attacks deprive at-risk children of basic life-saving health care services, including polio vaccinations. I know that Pakistani Rotarians, supported by Rotary members worldwide, will continue to do their utmost to create a safe environment so that these dedicated health workers can reach the nation’s most vulnerable children with vaccinations and other vital health interventions.

Polio eradication has been Rotary’s highest priority since 1985, and we are on the brink of making history by beating polio once and for all.

On behalf of Rotary’s 1.2 million members, representing 34,000 clubs in 200 countries and areas, I extend our deepest sympathy to the families of the victims. Their dedication and sacrifice further inspire us to continue moving forward toward our goal of a polio-free world.

Rotarians provide clean water and sanitation for schools in turkey

By Dan Dixon – Rotary News – 13 November 2012

Turkish Rotarians have provided 2,500 students in four schools in Adana, Turkey, with new toilets and clean water facilities through a water and sanitation project supported by a Rotary Foundation global grant. The project, sponsored by the Rotary clubs of Adana-Cukurova, Turkey, and Frutal, Minas Gerais, Brazil, demonstrates how Rotary’s new grant model can enable Rotarians to reach more people in need and make a larger and more lasting impact by involving the community, having a measurable outcome, and building in sustainability.

Assessing local needs

The Turkish Rotarians began conducting a needs assessment in January 2011 to come up with a project that improved health and hygiene at local schools. The club is in District 2430, part of the Future Vision pilot, which is testing the Rotary Foundation’s new grant model in advance of it being applied to all districts in July 2013. After determining the shape of their project, the Rotarians sought an international sponsor, and discovered through RI’s LinkedIn group that District 4770, also in the pilot, was looking for a partner for a global grant project with a focus on health.

The two districts stayed in contact through the Future Vision LinkedIn group, and later submitted a global grant application, with the Frutal club serving as international partner. The project addressed two of Rotary’s areas of focus: water and sanitation and disease prevention and treatment.

Implementing the project

In July 2011, after the grant's approval, members of the Turkish club renovated bathrooms in the four schools, providing new toilets, wash basins, floor and wall tiles, electrical wiring, and other improvements. Project funding included US\$12,500 from the District Designated Funds of the two districts, \$7,100 in cash donations and a \$16,050 global grant from the Foundation.

Four months later, club members, including two doctors, joined Rotarians from another club in training teams of teachers, administrators, and parents at each school how to instruct the students in good hygiene practice to prevent diseases like diarrhoea, Guinea worm, and hepatitis. The teams were charged with monitoring the students' progress.

Ensuring sustainability

To make sure the project continues to have an impact after its May 2012 conclusion, Rotarians posted colorfully illustrated signs on bathroom walls to remind the students about good practices, such as washing their hands, flushing toilets, and turning off the faucets to save water. Rotarians also organized an art and essay contest, with prizes, to keep the students focused on good hygiene and disease prevention. The contest is now part of an annual school event called Hygiene Day.

"We decided that sustainability can be achieved by putting hygiene into [the students' daily lives] and not just by teacher trainers' warnings," said Adana-Cukurova club member Tugrul Yegenaga in the final report for the global grant. The report also notes that when the students eventually become parents, they will pass on what they've learned to their children.

Measuring outcome

To measure the project's impact, the Rotarians who trained the parent/teacher/administrator teams visited the schools every month to observe how the teams were performing. They visited each school six times to assess student hygiene habits. Rotarians also determined that soap use had increased 300 percent in 2011 compared to the previous year.

The Turkish Rotarians sponsored concerts in Istanbul and Adana to raise funds for their efforts, and arranged newspaper and television coverage. As an added benefit of the project, the media coverage helped increase the public's awareness of Rotary.

On the Back Page

You know you're Australian when:

- You know that stubbies can be either drunk or worn.
- You pronounce Melbourne as 'Mel-bin'.
- You believe that the letter 'I' in Australia is optional, and it's perfectly OK to call it 'Sraya'.
- You think 'Woolloomooloo' is a perfectly reasonable name for a place.
- You're secretly proud of our killer wildlife.
- You believe it makes perfect sense for a country to have a \$1 coin that's twice as big as a \$2 coin.
- You understand that you can call 'Wagga Wagga' 'Wagga', but you can't call 'Woy Woy' 'Woy'.
- Beetroot with your hamburger....of course!
- You wear ugg boots outside the house.
- You believe that the more you shorten someone's name, the more you like them.
- You understand that 'excuse me' can sound rude, but that 'scuse me' is always polite.
- You know what it's like to swallow a fly, on occasion via your nose.
- You know it's not summer until the steering wheel is too hot to handle and a seat belt buckle becomes a pretty good branding iron.
- You know how to abbreviate every word, all of which usually end in 'o': arvo, convo, garbo, metho, wino, milko, muso, servo, smoko, rego, speedo, righto, etc.
- You know that there is a universal place called 'Woop Woop' located in the middle of nowhere, no matter where you actually are.
- And you can understand all of this and have a giggle.

The Mexican maid

The Mexican maid had asked for a pay increase.

The wife was very upset about this and decided to talk to her about it.

She asked: "Now Maria, why do you want a pay increase?"

Maria: "Well, Señora, there are tree reasons why I wanna increaze. The first is that I iron better than you."

Wife: "Who said you iron better than me?"

Maria: "Jor hozban he say."

Wife: "Oh yeah?"

Maria: "The second reason eez that I am a better cook than you."

Wife: "Nonsense, who said you were a better cook than me?"

Maria: "Jor hozban did."

Wife increasingly agitated: "Oh he did, did he?"

Maria: "The third reason is that I am better than you in the bed."

Wife, really boiling now and through gritted teeth: "And did my husband say that as well?"

Maria: "No Señora.....The gardener did."

Wife: "So how much do you want?"
