Email: unley.secretary@rotaryclub.org.au

Meetings: Tuesdays at 6.00 for 6.30pm

Venue: Damien on Fisher
123 Fisher Street, Fullarton SA 5063

President's Announcements

President Elect Ken Haines

In a special treat, and giving us a tantalising taste of what life in Rotary will be like after June, President Elect Ken Haines stepped into the enormous shoes left vacant for the week by President Stephen.

If Ken was uncertain about the challenge of walking a mile in someone else's vacant shoes he showed no sign of it, fulfilling the task with dapper aplomb.

There were no Presidential Announcements or confusing instructions about what to do with cardboard (well not from Ken anyway), but presumably he will make some announcements when he is elevated to the role full time – so this couldn't be considered augural.

In a breathtaking abandonment of tradition however, he moved straight into spots before the speaker.

President Stephen Baker

Spots

Patsy Becket spoke of the milestone 4,000th meeting to be held in a fortnight and advised that while places at the event aren't limited, Damien's needed final numbers soon to order in the lobster and caviar – so she needs to know who's coming, and soon. She asked that members send her an email advising her to patsybeckett70@gmail.com

Patsy also announced there will be a raffle at the 4,000th with a stunning array of donated prizes so that all the proceeds can be donated to Rotarians Against Malaria. She asked that all those attending come with money.

Joan Reed asked that members get behind her in her new role of Thrift Shop Coordinator. She is happy to receive ideas and suggestions, and even criticism, and would like all of the aforesaid to be conveyed to her personally rather than via a whispering campaign. She called a brief meeting of the committee after the formal meeting of the club and stunned us all by telling us the cardboard should be left on the trailer, and also that it didn't need to be cut into one inch squares.

David Middleton asked for a volunteer to be scribe next week so he could take his wife, the lovely Sue, out for her birthday. Valerie Bonython offered her assistance and David was grateful.

Jeremy Casburn sought helpers for the Detmold Barbecues and asked that those available tell him of their availability at the end of the meeting, or sooner.

Guest Speaker – Graham Ey: “Oh no, is that an ambulance blinking in my rear vision mirror...?”

Valerie Bonython introduced Graham who started his working life in various trades before following an Ambulance one day and joining up in the late 1960's. Graham gave us an interesting talk about the development of the of the Ambulance Service over time, growing from a very small operation to one that today employs 3,500 people in South Australia.

Guest speaker Graham Ey and
Chairman Valerie Bonython

The talk is quite difficult to summarise, largely because it was replete with interesting anecdotes and supported by photographs and videos that demonstrated the progress of processes and technology in the Ambulance Service over the time.

We were shown Ambulance vehicles from the past and present. Initially they weren't much more than Station Wagons with no nifty stretchers that could be loaded easily, equipped only with a few bandages and slings, and a very basic first aid kit. Each new vehicle was bigger and more powerful, but they all had their difficulties due to the lack of proper design of the back end. Finally, someone had the bright idea of getting ambulance officers to design what they needed and it proved to be a great success.

Graham showed lots of pictures of the kit now available to ambulance officers and this enables them to offer an excellent service to the public. Ambulance officers are now highly trained professionals. In 1998 the Paramedic Qualification was introduced and Graham was an early graduate. Now a university degree is required and the entry score is very high. Naturally there is also rigorous ongoing education and training.

There were several questions and Graham was thanked by Valerie.

Thrift Shop Training

Before closing we all enjoyed a detailed training session on how to use the cash register and the EFTPOS machine in the Thrift Shop. The material is reproduced on the following pages for you to relive the pleasure of the experience, to commit to memory, and to carry with you at all times.

Sergeant's Session

Heather Kilsby was once again a skilful sergeant collecting fines from miscreants. President Elect Ken won the money, and after Heather's Highway Robbery, he proceeded to close the meeting late at 8.10 pm. While this wasn't the high quality outcome recently delivered by our absent friend, it was commendable given the fact that, effectively, we had two speakers.

Thrift Shop Training

Pam Trimmer asked us to read the instructions

The Cash Register

The EFTPOS Terminal

Pam Trimmer ran a training session on using the cash register and the EFTPOS machine in the Thrift Shop. Things have moved a long way in a short period of time from the days of the wooden cash draw where the only thing you had to do was remember to remove the bolt from the side so you could open it.

There was a lot of information, and quite a lot to remember, and Pam advised the instructions would be laminated and left in situ for reference. Undoubtedly, we will quickly get used to it on the job, but the need for accuracy and diligent attention to detail was stressed.

For those members and volunteers who were not present for the Thrift Shop training session, the instructions extracted from Pam's slide presentation are provided below.

Cash Register Procedures

Registering a Sale

- Ensure key points to 'R'.
- Enter value of sale (NO decimal point)
- Press DEPARTMENT key (Homewares, Misc., Books, etc.)
- If more than one item (e.g. \$10 ladies clothing and \$10 books) press \$10 Ladies Clothing, \$10 Books and then press SUB TOTAL (will show \$20 on screen)
- Ask customer how they are paying:
 - ~ **If paying by cash:** Determine the amount being tendered, e.g. \$50, enter the amount (no decimal point) and press CASH TEND, register will display amount of change needed (till drawer will open), put money in till and give change displayed; OR Press CASH TEND (till drawer will open). Change value will not be displayed.
 - ~ If paying by card: Press 'EFTPOS' key (till drawer will open) and do EFTPOS transaction (see EFTPOS instructions)

(Please note that there is a green folder located on the right hand side of the counter which has all of the Register instructions).

End of Day Register Procedure

The following is a "Must Do"

- Turn the key to 'Z'
- Press 'CASH TEND'
- The cash roll for the day's total is printed (keep to attach to EFTPOS Summary)
- Turn the key back to 'R'
- Replace the cash float in the Blue Cash Box. It should be made up of \$90 in notes (no \$50s) and \$35 in assorted coins
- Put money in plastic bag and put in safe.

EFTPOS Procedures

Start of Day Procedure

- Switch on button (top left underneath) – Hold button until light comes on and let go.
- Screen will light up: *'Hi I'm Albert'*
- If prompted, enter password

To Enter a Sale

Follow machine instructions

- Enter amount (no decimal point) and press 'OK'
- Tap (if Paywave) or insert card – OR – turn machine around and let customer tap or insert their card. Get the customer to enter their PIN if the machine requests it.
- Machine will automatically print out our receipt; tear off and make sure transaction has been approved.
- Put docket in cash register under cash tray.
- If customer wants a receipt, press 'PRINT' (will be displayed at bottom left of screen).
- If no receipt required, press 'FINISH' (bottom right of screen)
- Screen will return to normal

Refunds

- Swipe screen to display 'menu' OR press 'MENU' button
- Press 'REFUND'
- Enter amount (no decimal point)
- Swipe or insert card and follow screen prompts re customer PIN, etc.
- Press 'FINISH'

End of Day Procedure

Do Transaction Summary

- Swipe screen or press 'MENU' button.
 - ~ Tap 'HISTORY AND TOTALS'
 - ~ Tap 'SETTLEMENTS'
 - ~ Tap 'SETTLE' (bottom left of screen)
 - ~ Tap 'PRINT'
- Attach all EFTPOS dockets in cash register to the Settlement Transaction List and then attach the daily summary from the cash register. Leave them in the Daily Takings book.
- No need to turn off EFTPOS machine – LEAVE IT ON THE COUNTER.
- *If all else fails, ring Customer Service 1800 230 177 and quote Terminal No. 45520100.*

Rotary News

Member Spotlight: Stephen Mwanje promotes health care for all in Uganda

By Heather Maher – The Rotarian – 1 April 2016

"This was a gift from God." Stephen Mwanje remembers those words, spoken by a sick man who had just received free treatment from a doctor at a Rotary-led Family Health Day in Uganda last fall. "He never thought he would get the medical attention he needed," explains Mwanje, a member of the Rotary Club of Mukono, Uganda, who made that man's care possible.

In 2010-11, Mwanje was governor of District 9200, which then included Ethiopia, Eritrea, Kenya, Tanzania, and Uganda. As he was researching options to address Uganda's lack of health care, he crossed paths with Marion Bunch, an American Rotarian who had founded Rotarians for Family Health & AIDS Prevention in 2004. Their collaboration resulted in the country's first free health clinic, organized by Mwanje in 2011.

Uganda, Nigeria, Ghana, and South Africa now hold Rotary Family Health Days once or twice a year. Local partners finance up to 80 percent of the budget for the health days, making the program sustainable. The clinics last two or three days and are staffed by volunteer health professionals who provide a wide range of services and treatments to anyone who shows up. More than a million people have been treated with the help of thousands of Rotary volunteers. Because of Mwanje's commitment to health care in Uganda, the country also has its first oncology clinic, which was funded by a Rotary grant.

Rotarian Stephen Mwanje

The Rotary Foundation Dinner

Rotary is Humanity in Motion

Once in a while we are presented with an opportunity to meet and listen to Rotary Leaders who inspire service above self.

14 May 2016, Past RI President Bill Boyd and RI President Nominee Ian Riseley will join us at the Convention Centre, Riverbank Rooms, North Terrace, Adelaide. District Governors Doug Layng and Dick Wilson invite you, your club to book a table and join us for a night supporting our Foundation. A meal and drinks package has been negotiated including welcome drinks and a two course meal for \$75pp. **Bookings to:** <http://e.mybookingmanager.com/TRFDinner2016>

Keynote speakers

Bill Boyd was President of Rotary International in 2006/2007, only the second New Zealander to hold that position. In that capacity Bill and Lorna visited 40 countries, some several times. He was Chair of The Rotary Foundation of Rotary International in 2011/2012.

He is a recipient of The Rotary Foundation's Citation for Meritorious Service and its Distinguished Service Award. Bill and his wife, Lorna, live in Howick, Auckland, New Zealand.

Most of us can remember Bill who inspired us to 'Lead the Way', Bill's still leading the way. He's on a mission to engage us in changing OUR ROTARY. Keeping the best but ensuring we are an organisation that is fit for members who are still to join Rotary.

Ian H.S. Riseley, of the Rotary Club of Sandringham, Victoria, is the President Nominee of Rotary International in 2017-18.

Ian says that meaningful partnerships with corporations and other organizations are crucial to Rotary's future. "We have the programs and personnel and others have available resource. Doing good in the world is everyone's goal. We must learn from the experience of the polio eradication program to maximize our public awareness exposure for future partnerships."

This event offers members a unique opportunity to hear first-hand, Ian's vision for Rotary going forward and to give your support to the Rotary Foundation.

Diary Dates

Year	Month	Day	Date	Activity Details	Venue

Bunnings Mile End Barbeque

ALL the Bunnings Mile End Barbeque dates are the **last Monday** of the month from 8am to 5pm

Next Date: Monday 30 May

Morning shift: 8.30am – 12.30pm

Afternoon shift: 12.30 – 5pm

Please Note: We will not be operating the Bunnings Barbeque on 25 April (ANZAC Day) as it will be operated by Bunnings staff to raise funds for their own charity.

The Back Page

Within Hearing

An elderly lady was concerned about her husband's hearing. It seemed that every time she would call him, he wouldn't respond. So, the lady went to the doctor to ask his advice.

The doctor said to her, "when you go home, tell your husband to stand at the end of the hallway, and you should stand at the other end. Ask him what he wants for dinner. Continue to move him closer towards you until he responds to your question so you know exactly how far away he is from you when he finally hears you."

She thought this was a great idea. When she got home, she placed her husband at the end of the hallway and yelled, "Robert, what do you want for dinner?" There was no response. She moved 10 feet closer. Again she yelled, "Robert, what do you want for dinner?" No response. She moved another 15 feet closer to where she was now practically face to face with her husband. She yelled even louder this time, "ROBERT, what do you want for dinner?"

Robert yelled back at her, "For the THIRD time, I want chicken!"

Inside Job

An old man lived alone in Tasmania. He wanted to dig his potato garden, but it was very hard work. His only son, Tom, who used to help him, was in prison. The old man wrote a letter to his son and described his predicament.

Dear Tom,

I am feeling pretty bad because it looks like I won't be able to plant my potato garden this year; I'm just getting to old to be digging up a garden plot. If you were here, all my troubles would be over. I know you would dig the plot for me.

Love Dad.

A few days later he received a letter from his son.

Dear Dad,

For heaven's sake, don't dig up that garden, that's where I buried the BODIES.

Love Tom.

At 4am the next morning, the Federal Police and Tasmania police showed up and dug up the entire area without finding any bodies. They apologised to the old man and left. The same day the old man received another letter from his son.

Dear Dad,

Go ahead and plant the potatoes now. It's the best I could do under the circumstances.

Love Tom.

Diagnosis

An old man goes to his doctor. The doctor says, "I've got some bad news for you. You have cancer and you have Alzheimer's disease."

And the old man says, "Well at least I don't have cancer."

Lost

The man approached a very beautiful woman in the large supermarket and asked, "You know, I've lost my wife here in the supermarket. Can you talk to me for a couple of minutes?"

"Why?"

"Because every time I talk to a beautiful woman my wife appears out of nowhere."

Be a gift
to the world
