Presentation by TJ

Heather Kilsby introduced overseas exchange student TJ Anwar who will be leaving for western France on 20 January 2017. TJ had prepared a power point presentation which she intends to share with her French hosts et al. The material included her family, a history of South Australia, projects of the Unley Rotary Club, her schooling experience, local good and bad fauna, rivers and deserts, living conditions and other entertaining tit bits. Members then made suggestions on how to enhance the presentation. TJ was congratulated for the quality of her efforts. Under the Rotary GIFT program her 4 other outward bound colleagues from South Australia will be hosted by Rotary families in USA, Switzerland, Germany and Italy. *We multilinguals who learnt to speak fluent French at High School will be able to practice our excellent vocabulary when TJ returns.*

Spots

David Middleton explained that all was in readiness for the Carols.....even Santa and the weather. Stephen the elder volunteered to pick the chairs from Reno; Jerry has the BBQ under control; and the gate will be opened at 10 am to enable the stage to be erected by the contractor [previously done by members].

Jerry Casburn had heaps of Unley Rotary monogrammed shirts.....newest members Soheila, Robyn, Leonie, Lachlan, Dennis and Stephen the younger were each presented with one.....the ceremony did not quite reach the heights of an AFL club presentation.

Pam Trimmer declared that the 'thank-you' to the Thrift Shop volunteers last Friday was a great success. 35 attended and were champagne and entertained by Margaret and Sandy.

Sergeant's Session

Sergeant Bob Mills extracted Dennis Little's marble for the atrocious squares. He then read out a long list of anniversaries, some of which related to birthdays which are best forgotten. The happy moments included: Reno congratulating Jerry on the Rotary shirts; Stephen the elder expressing thanks that the State electoral boundaries are now fair after 40 years and for Bob Mullins dominating the Kooyonga golf course; Geoff Hill making the semi-final of the South Coast Golf Classic (....only to be beaten by a 92yo). Buoyed by his lucky squares lucky win, Dennis related a grand-child joke about frozen peas....maybe he needs to be put on ice.....the kid that is!

BUT the worst moment came when Sergeant Bob presented mountains of empirical evidence that Santa Claus could not possibly exist.....some of us however still believe!

The meeting closed at 7.54 pm.....same as last week.

Arch Klumph's hometown raises over \$2 million through centennial celebration

Rotary News 17 Nov 2016

Rotary members in Cleveland, Ohio, USA, celebrated 100 years of The Rotary Foundation on 23 October with a banquet and a concert by The Cleveland Orchestra that have so far raised more than \$2.1 million for the Foundation's next century of good work.

Arch Klumph, a Cleveland Rotarian, planted the seed for The Rotary Foundation in 1917, with his idea of having an endowment fund dedicated to "doing good in the world." Today's District 6630 leaders thought that a concert was a fitting way to honor Klumph and mark the centennial because of Klumph's love of music. Klumph performed in several predecessors of The Cleveland Orchestra.

"We felt very strongly that here in the home of Arch Klumph we needed to take stock of what the Foundation has accomplished this past 100 years. It's almost impossible to quantify," says Mike Johns, an event organizer and past RI director. "If you look at where we are and where we are going, we've just scratched the surface on what we can do."

The banquet inducted four couples into the Arch Klumph Society for giving \$250,000 or more to the Foundation over their lifetimes: Geoff and Kim Goll, Rotary Club of Salem, Ohio; Frank H. and Nancy Lyon Porter, Rotary Club of Cleveland, Ohio; Edna and Martin Sutter, Rotary Club of Fort Bonifacio Global City, Makati City, Philippines; and Norman R. and Marjory A. Veliquette, Rotary Club of Elk Rapids, Michigan, USA.

The Porters, who were inducted posthumously, contributed \$500,000 toward polio eradication, Rotary's top priority. The Golls have also directed \$200,000 of their contributions to PolioPlus.

Johns says the event was designed to educate the community about The Rotary Foundation. Videos interspersed between musical pieces highlighted Rotary's work and the fight to end polio.

"We had a lot of people there who didn't know what Rotary was, and they made a great discovery," he says. "I think Rotary members around the world should really reach out to the public this year and show them what our Foundation does."
