March is Rotary
Literacy Month

The Challenge of Change!

Rotary International, District 9520 Governor's Newsletter

Issue 8, March 2013

Roy's Blog:

In the Rotary Calendar, this is Literacy Month!

Firstly though I would like to recap on the effort and outcome of our Peace Forum held on Saturday the 23RD February at the Adelaide Oval.

PDG Malcolm Lindquist has penned an article on page 7 of this months Newsletter. This I urge you all to read. I am sure that the success of this day was due to the teamwork and dedication of the committee and, in particular, the Committee Chair. Thank you Malcolm, from all the committee, for your leadership over the past 12 months and your effort to bring this Forum to a most successful outcome.

This was a JOINT committee D9520 and D9500, hence, DG Marie Dorrington, and her district members are to be thanked, too, for ensuring a brilliant outcome.

To those who were unable to attend, for what ever reason, I only say, you missed a great day. We had great speakers, an event with a message of hope and action for peace. The speakers were young and old – all united in the message, action and hope for the future. Congratulations to our younger participants, – please read the article!!

Young Participants in the Peace Forum

This month Marilyn and I attended the Riverland and Mallee Vocational Awards – These awards have been held over the past 30 years and are recognised as one of the largest of its type in Regional Australia. This program is co-ordinated by the Rotary Club of Berri – well done for a great event – enjoyed by all, in particular, the younger participants and awardees. – We look forward to next year! See page 4 for pictures and details.

Literacy Month: What can you and you club do to make a difference to a single person or perhaps a whole school ? See page 6 for some resources.

DG Roy & DG Marie

Please remember to send in those Presidential Citations before the end of March 2013. See page 9 for details of forms and links.

We are now well into the second half of this Rotary Year – I again remind you all to reflect on the Challenge of Change – and Have FUN!!

Cheers

Have FUN, enjoy Rotary !

Please note ! URGENT !!
District Awards 2012 - 2013

It is DG Roy's intention to present the **2012/2013 District Awards** to successful Clubs at the Barossa District Conference in April this year.

Clubs are advised that where submissions are required, the closing date for submission to **District Secretary Jerry**, is **Sunday 3rd March 2013**.

The Awards and the requirements for submission, where applicable, are listed on pages 38, 39, and 40 of the 2012 / 2013 District Directory.

Please note that a new award - a **"Having Fun" - Award** will be presented this year!

(It will be based on photographic proof of this event!! – Please send your photos to Secretary Jerry !)

What Paul Harris Said:

"What is Rotary? What is it all about? ... Beneath Rotary's many and varied activities, there is the unchanging undertones of goodwill, goodwill, goodwill."

Paul Harris' message on the 39th birthday of Rotary,
– February 23, 1944.

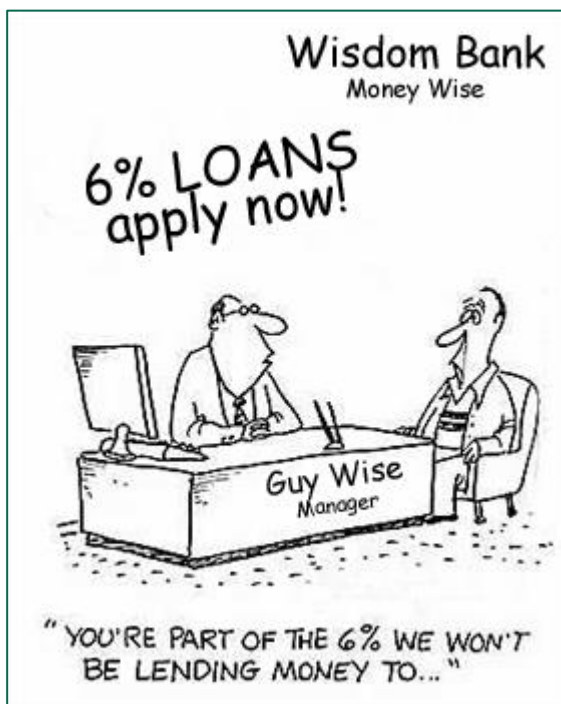

This quote is, by far, my absolute favourite message from the founder of Rotary. It uses the single word of 'goodwill' to summarize what Rotary is – perhaps you have an alternative single-word definition – is it 'friendship'; or 'service'; or 'compassion'?

All of these single utterances recognize our diversity and succinctly explain why a mass worldwide movement such as Rotary is so successful – the only way possible – by our undying commitment to help, respect and love our neighbour.

Calum Thomson, Vice-Chairman RGHF

On the lighter side !

The Perils of Project Funding

How is your golf ? A Very Old Joke.

A young man and a priest are playing together.

At a short par-3 the priest asks, "What are you going to use on this hole, my son?"

The young man says, "An 8-iron, father. How about you?"

The priest says, "I'm going to hit a soft seven and pray."

The young man hits his 8-iron and puts the ball on the green.

The priest tops his 7-iron and dribbles the ball out a few yards.

The young man says,
"I don't know about you, father, but in my church,
when we pray, we keep our head down."

Did you know that there is such a thing as:

Australian Golfing Fellowship of Rotarians

On their website <https://www.agfr.org/> they say that this fellowship is within the Rotary organization ... "*...and is part of what Rotary is about, that is fellowship within its membership.*"

Why not check-out their web site and see what's it all about..

David Lloyd OAM KCHS JP

Meet: AG David Lloyd

David was born in Merthyr Tydfil, in the Merthyr Valley of Glamorgan, South Wales, UK and was educated at the local village school.

On leaving school David became a junior life guard at the local swimming baths, a position he held for several weeks until management discovered he could not swim, and still can't. David left Wales with his parents on May 9th 1965 bound for Townsville Queensland arriving in Townsville July 9th 1965. In August 1966 they moved down from Townsville to South Australia and settled in Adelaide.

David's first job in Australia was that of a Brickies Labourer in Townsville, he also had a short stint at share farming on the West Coast, at Poochera and Port Kenny, before moving into the clothing / sporting industry.

He assisted in the manufacture of the first Australian Made Cricket Jumper for the Australian Test Team, prior to which they were imported from England, and he still has the original sample garment.

David commenced with Pengelley & Kanbe Funerals (now Blackwell Funerals) in 1985. The pinnacle thus far in his career was arranging and conducting both Lady Jessie and Sir Donald Bradmans funeral services. David is also privileged to have some very special memorabilia autographed for him by Sir Donald.

David was awarded an OAM in the 2007 New Year's Honours List for services to the community especially through The Knights of the Southern Cross, Rotary International, and the Funeral Industry. David is a member of the the Knights of the Southern Cross (SA), serving as Councillor, Chairman, Deputy President, and Secretary, all national executive positions. He was awarded a Knight of Merit in 2000. In 1999 David accepted a Papal Knighthood into the Equestrian Order of the Knights of the Holy Sepulchre of Jerusalem.

He is a past President of the Australian Funeral Directors Association (SA / NT Division) and was made a Master Funeral Director in 2006, and currently serves as a State Councillor.

David is a member of the Royal Association of Justices of the Peace (SA), Past President of the Rotary Club of Morialta; a Paul Harris Fellow. Currently he is Assistant Governor for Group 7. David is also a current member of the Board of Directors of Southern Cross Care (SA/NT), the largest provider of Aged Care Facilities both in SA/NT and on a National level.

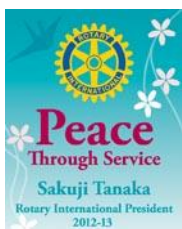

As you can see David is not a stranger to community service – doing everything he can through Rotary, his Church and his vocation. One would have thought that this might be enough “to make a difference” But wait, there is more , in addition, David is active in a political party – in hope that he can make an additional contribution to society.

David is married to Tricia, they have two children, James, a teacher and Simon, a Police Officer.

Most of you have already heard that there is a special David's Motto, but for those who have not, here it is:

David said: “To be born Welsh is to be born privileged, not with a silver spoon in your mouth, but music in your blood and poetry in your soul”.

“Music and poetry How does he find the time?”, we can all ask. ☺

Doing Good in the World

Rotary brings peace by addressing the needs that cause conflict: the need for clean water, for nutrition, sanitation and health care. When these needs are met, there is opportunity. And there is hope. Hope has no borders. It is the garden from which peace can grow.

Peace Through Service brings out the best in us. It makes us aware of the borders we set up around ourselves - and it helps us tear them down.

Sakuji Tanaka , President, RI

Riverland and Mallee Vocations Awards 2012

By **Robin Foley**, Secretary
Rotary Club of Berri

It was a full house at the Renmark Hotel Conference room on Friday 8th for the Rotary Club of Berri's Riverland and Mallee Vocations awards for 2012.

Thirty one Finalists in the categories Apprentice, Trainee, VET student and School Based Apprentices attended together with their partners, family & employers to see who would take out the prestigious title of "Apprentice of the Year" and "Trainee of the Year."

This is the 31st awards event and it is the second time it has been hosted by the Rotary Club of Berri. The Rotary Club of Renmark instigated the awards and hosted them until 2009 and so building the reputation of them being the largest Regional awards in Australia.

Our club was supported by many sponsors some in kind and others as cash sponsorships. As always the local media were keen to support the event as Major sponsors. We had 2 television commercials produced, one to invite the nominations and the other to promote the event. Our Local Riverland Weekly newspaper interviewed all the applicants, photographed them and contributed about 5 pages of their publication to the event.

DG Roy Armstrong and Benjamin Platten

At the commencement of the proceedings we were pleased to invite District Governor Roy Armstrong Club to address the 250 attendees to promote Rotary Membership some or our Youth Programs and polio plus

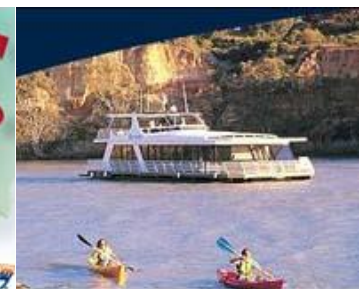

As in past years our judges were very impressed and proud of the achievements and caliber of our Riverland young people. They had difficult decisions to make.

"Riverland and Mallee Apprentice of the year 2012" was Electrician from Waikerie Benjamin Platten, Runner-up was Graphic Artist Courtney Proud. "Riverland & Mallee 2012 Trainee of the Year" was Beautician Pillippa Stanton and Runner-up was Business Admin Claire Morris

The finalists all received a certificate with Winners of the six Industry award winner receiving a trophy, and a cash prize. The over-all winners received a trophy and a significant cash prize.

A local printer is also a keen sponsor providing us with a high quality program with photos & information of all the finalists and also promoted our valued sponsors.

Electrical Apprentice, Benjamin Platten was chosen as the 2012 Apprentice of the Year. Working for GB Electrical & Security Services, Benjamin specialises in Solar Systems. Ben is seen here with District Governor Roy Armstrong of Rotary International District 9520 at the award presentations on Friday night.

ROMAC
Rotary
Oceania Medical
Aid for Children
A Program of the Rotary Districts
of Australia and New Zealand

A ROMAC STORY

By Oleh Bilyk

Regional Director, ROMAC, Central Region

ROMAC is an organisation within Rotary in Australia and New Zealand which brings disadvantaged children into both countries for medical treatment which they cannot receive in their own country.

On a yearly basis ROMAC has around 30 children treated, but this year the number will be around 40 to 45. Naturally this puts a great deal of pressure on our limited financial resources, but with the help of Rotarians, the Public, the generosity of Doctors and Hospitals, not to mention Rotary Clubs, we are still doing good in the world. Without their help we could not continue work that we do.

The average cost per patient is approx. \$30,000 and on top of this add air fares and associated figure increases dramatically. As a result we are always looking for new sources of funding.

We, in Australia, do not know how lucky we are with all our health resources, hospitals, doctors can receive, because, when you look at the children that ROMAC deals with you have to say "Thank goodness I live in Australia!"

We are very fortunate to have the facilities that are lacking in the Oceania Region of the and in many countries of Asia, East Timor and Indonesia. Also, many of similar problems Australian children, however, in Australia, due to the standard of medical care, problems detected and treated very early in the lives of Australian children, so we do not often see advanced deformities or other advanced problems of Oceania's children.

ROMAC is an Inter District Programme.

ALLOW ME TO SHARE THE STORY OF REX KHUMO WITH YOU:

5 year old Rex and his mother, Karen, live in the Papua New Guinea Highlands, a 10 hour the nearest town. Like so many who live what we would consider a simple life. Because of his was ostracized, so, he could not attend school.

When they arrived in Adelaide, they were met by members of the Rotary Club of Henley Beach and Rotarian Anthony Mason. Rex arrived in Adelaide for treatment for an encephalocele (herniated brain).

Like so many of ROMAC's children's parents, Karen had no idea of how to use money or even shop ['big city' style].

Rex was operated on by Dr. Mark Moore at the Women's and Children's Hospital. He made a very quick recovery and within two weeks was organizing miniature games of Rugby Union in the corridors of the hospital. He was also enjoying outings to the Zoo and stroking Kangaroos. When he visited Henley Beach his eyes lit up when he saw sand and water for the first time. It was a highlight for him.

Rex now has a new life ahead of him and will be able to attend school, which is his dream.

There are many such stories that the people of ROMAC could tell. All deeply gratifying not only to the child and parent but also to the members of the Rotary Clubs involved. **COULD YOUR CLUB HELP?**

Rex with him mother Karen

March is a Literacy Month

Literacy project toolkit

General resources

- Get [literacy project ideas](#) from Rotary International.
- [Rotary Literacy Month](#) – Encourage your club to focus on literacy in their service projects during Rotary Literacy Month, which, for the first time, will be celebrated in March.
- [International Literacy Day](#) – Show your dedication to literacy on 8 September with resources from the International Reading Association.

Funding for literacy projects

- Learn how to fund a literacy project through [Matching Grants](#) from The Rotary Foundation.
- Learn about [in-kind donations](#) from other Rotarians through the Donations-in-kind Information Network.

FOUR WAY TEST

(ENJOY)

THE FOUR-WAY TEST FOLLOWED BY ROTARIANS WORLDWIDE IN THEIR PERSONAL, BUSINESS AND PROFESSIONAL LIVES, THE FOUR-WAY TEST WAS CREATED BY ROTARIAN HERBERT J. TAYLOR IN 1932.

IT HAS SINCE BEEN TRANSLATED INTO MORE THAN 100 LANGUAGES AND IS USED BY ORGANIZATIONS AND INDIVIDUALS THROUGHOUT THE WORLD.

THE FOUR-WAY TEST OF THE THINGS WE THINK, SAY OR DO:

1) IS IT THE TRUTH?

2) IS IT FAIR TO ALL CONCERNED?

3) WILL IT BUILD GOODWILL AND BETTER FRIENDSHIPS?

4) WILL IT BE BENEFICIAL TO ALL CONCERNED?

AND, IN ADDITION WE PROPOSE THE FIFTH WAY TEST:

5) IS IT FUN?

District Conference 2013 - Barossa Valley

"The Journey from Vine to Wine"

District Governor Roy and Marilyn, and the members of the Rotary Club of Marion extend an invitation to all District 9520 Rotarians and partners to travel to Barossa Valley in 2013 to join them at the next District Conference.

Barossa Valley is a wonderful destination. Make it an extended holiday!

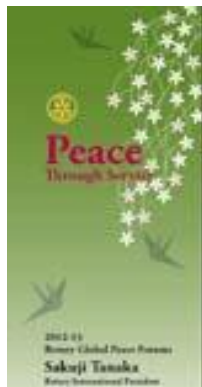

BOOK YOUR ACCOMMODATION NOW ! REGISTER NOW !

Have fun, enjoy Rotary.

What a Success!

2013 Peace Forum & Dinner

Incorporating the 108th Birthday
of Rotary International

PDG Malcolm Lindquist

Despite all of the distractions of the fringe festival and the 37degree heat 340 men women and children from Districts 9500 and 9520 gathered in the Members' Dining Room overlooking the hallowed turf of Adelaide Oval on Saturday Feb 23rd to celebrate Rotary's commitment to Peace as suggested by RI President Sakuji Tanaka.

The keynote speakers Lieutenant Governor of South Australia, Hieu Van Le OA and Alexander Downer AC, both delivered outstanding speeches relating their personal involvements in the Peace process, Mr Le's in war torn Vietnam. Other speakers were Dr Daniel Biro, Peace Scholar Sonja Basic and Emily Haren from the Oaktree Foundation.

PDG Malcolm,
Peace Forum Chairman

The children's procession in Japanese costumes complete with Peace cranes and candles highlighted Belair Primary Schools status as a School of Global Peace.

Throw in the fabulous voice of harpist Siohban Owen and the repertoire of Peace songs by the Adelaide Harmony plus the wit and humour of MC Peter Goers OAM and success was assured.

Rotary International was represented by RI Director John Boag who flew from Tamworth via the redeye special to attend. PDG Malcolm Lindquist, the forum Convenor, presented the following resolution which was carried unanimously.

"Peace is not a final destination to be reached, but an active and continuous process. All of us are capable of becoming peacemakers in our own lives, and through our words and actions, we will demonstrate that peace is possible"

(An extract from the International Peace Forum held in Hawaii in Jan 2013.)

The Dinner

Following the success of the Forum the dinner in the evening overlooking the oval was a celebration of Peace and Rotary's 108th Birthday. The Peace/Birthday cake was jointly cut by RI Director John Boag, DG Marie Dorrington (D9500) and DG Roy and formed part of the dessert.

Mark Aiston, a local TV and Radio presenter, gave a wonderful after dinner speech talking about inner peace and his own personal journey.

He confirmed the need to support organisations such as Beyond Blue and ARH which support individuals and fund research into Mental Health. He received a standing ovation for his presentation.

A highlight of the whole day was the number of the young people present who had been sponsored by their Rotary Clubs. Of the 150 present at the dinner approx. 40 were sponsored by their clubs. They included Youth Exchange students, RYLA awardees, NYSF graduates, Rotaractors and sponsored school students.

Special thanks goes to the organising committee, sponsoring Rotary clubs in both districts and all those who made the special effort to attend and demonstrate Rotary's commitment to **"Peace through Service"**

YOUTH EXCHANGE NEWS

One of the very satisfying moments in administering the Youth Exchange program is when we get a spontaneous reaction from a brand new host parent telling us how great it is to have an Exchange student staying with them. The Magill Sunrise Club decided to take the plunge and participate in YE, and this is a recent report we had from the "first-time" host family.

Host Dad Brenton said in his letter : "Carlo came to us from Lecco, Italy. Carlo is an Incredibly friendly, warm and caring young man."

"We have two boys at home, Harry 7 and Jack 5 who quickly became great friends of Carlo", he wrote.

Carlo settled into school at Norwood-Morialta quickly.

He chose appropriate subjects although "Macbeth" was tricky. Carlo played out the Division 1 Basketball season and is now rowing for the school. When not working or playing he is a

The Oates Family with Carlo

good cook – spaghetti carbonara is his signature dish. Carlo made many new friends at school and learned much from his Youth Exchange experience.

Budding Chef Carlo

"My first impression was very strong – Australia is such a beautiful country," Carlo wrote in his letter: "People were very good to me, school was most enjoyable and I was pleased that I could choose my subjects to study!"

Carlo was very active in sport : Division 1-Basketball and then Rowing. I seems that Carlo is a good sport too.

Carlo enjoyed the making new friends and he said in his note: " I met many new friends and exchanged phone numbers and email addresses – we'll keep in touch."

The Host Dad Brenton said: "We have not hosted an exchange student before so it was a new experience for all of us. We loved having Carlo as part of our family." We have met Carlo's family on Skype and look forward to meeting them all one day."

Youth Exchange Committee has reports on many wonderful experiences from "new" and "old" host families.

Allan Goode said: " Hosting a student is a very rewarding experience for, both, the host family and the student. Why not find out more about it – contact Youth Exchange Committee."

NEWS FROM CLUBS

*Jerry & Sue,
it was fun
meeting friends
at
Victor Harbor*

Helen and David Gooley
David was inducted into the RC of Berri.
Formerly David was a member of RC of Unley but transferred to Berry due to Helen's business commitments.

Home of Carlo – City of Lecco

Lecco is a city of c. 47,760 inhabitants in Lombardy, northern Italy, 50 kilometres (31 mi) north of Milan, the capital of the province of Lecco.

It lies at the end of the south-eastern branch of Lake Como (the branch named *Lake of Lecco* / *Lago di Lecco*)

Marilyn's Corner:

Well, what a busy month I had with Roy. We attended the RC of Berri - Riverland & Mallee Vocational Awards, RC of Marion Fellowship & Fundraising, RC of Mobilong & Murray Bridge, Memorabilia Exhibition, Group Study Exchange Team departure, RC of Campbelltown at Italian Carnivale, Group 5 joint meeting at Hallett Cove, RC of Hyde Park 30th Birthday, PEACE FORUM, RC of Edwardstown International Dinner at Katmandu Restaurant Glenelg, RC of Blakiston Paul Harris Awards Night. This has been a great month of sharing with the clubs of the district in some of their celebrations, we are really enjoying meeting with you all and most of all having FUN.

If you would like us to be a part of something you're involved in, please don't hesitate to send us an invitation, and, wherever possible, we would love to share with your club in these FUN moments.- Reminder please send your FUN PHOTOS to District Secretary Jerry ASAP.

Don't forget END POLIO NOW NEEDS YOU'RE SUPPORT.

Mardi Gras

The news from Loxton

From President Brian Loxton

Rotary Mardi Gras Ambassador, Sheree Cameron won all three positions available.

- 1st as ambassador for Loxton
- 1st as Charity Queen
- 1st, Best float (out of 51 floats)

Also, the Nippy's Gift was an outstanding success.

GROUP 5 CLUBS ENJOY GETTING TOGETHER !

AG Peter Hammond

Group 5 Clubs (Blackwood, Coromandel Valley, Flagstaff Hill, Hallett Cove Noarlunga and Noarlunga East) recently enjoyed a combined meeting at the House of Jade Restaurant, Sheidow Park. The Rotary Club of Hallett Cove hosted the meeting and over 90 Rotarians, partners and guests attended. District Governor Roy Armstrong and Marilyn, together with District Governor Elect Wendy Gaborit were among the invited guests.

Each Club President gave a short report, promoting their upcoming events. Our District Governor encouraged attendance at the District Conference in Tanunda and outlined the keynote speakers and the highlights of the social program.

Guest speakers were Dr Terry Yuen and Sharyn Borrett. In 2001, because of the poor state of dental services in East Timor, Dr Yuen decided to bring mobile dental equipment to Dili.

This enabled outreach programs to be undertaken to outlying villages. Currently, through the East Timor Dental Project, volunteer Australian dentists visit East Timor four times a year to treat, teach and mentor. Between visits a local dental nurse is employed indirectly to assist the project.

After giving a brief history of East Timor, Terry and Sharyn spoke passionately about the project and the reasons for their involvement. Rotary and Lions jointly support the East Timor Dental Project.

At the end of the meeting, President Irene Healey presented Dr Yuen with a cheque for \$500. In addition, \$250 was raised on the night and will also be donated to the dental project.

Dr Yuen & Dr Borrett with President Irene

All Group 5 Clubs support these combined meetings. Most cancelled their normal meetings to encourage a good attendance, and all Clubs were well represented. Our next combined meeting will be on Tuesday, April 16th at the Belair Country Club.

The Rotary Club of Blackwood will be hosting the evening, which will feature the visiting Group Study Exchange Team from Taiwan. It should be another enjoyable Group 5 event.

Secretary's Corner :

Jerry Casburn

"A quieter month for the District Secretary part of the job. More active on the District Support/DGN side. Briony and I have been to all the Group 4 clubs, Encounter Bay, Goolwa, McLaren Vale, Victor Harbor and Yankalilla, to promote the District Conference. As you would expect we were made most welcome and "Had Fun" all the way. WE belong to a fantastic organisation.

The process of gearing up for the New Year has started with the New Team and Sam Cozens is gearing up to take over the role of District Secretary as from July. Training is the essence of the moment and the District Management Training has been completed."
