This month is Rotary Foundation month. We have seen the start of The Rotary Foundation (TRF) group meetings, which are designed to take the programs of the Foundation to the members. During last month the District conducted a TRF Grants workshop that imparted greater knowledge of the process to obtaining a Matching Grant and/or a District Simplified Grant.

During November we will see further Group meetings conducted to bring more Rotarians in our District up to date on the Rotary Foundation and its activities.

Our District is also very active in Group Study Exchange (GSE) with the GSE team from District 2350 Sweden, returning home after spending one month visiting Rotary clubs and undertaking vocational experiences.

We have also received advice that our Peace Scholars; Juliet Kenny has been accepted to study at the University of Uppsala in Sweden and, Sandy Morey was accepted to undertake Peace and Conflict studies in Thailand mid next year.

October 24th was World Polio Day, What did you do on that day? Many of the Rotarians would have taken advantage of the double Foundation points scheme which applied during the week 24th -29th October for contributions made to the Foundation.

Kathy and I continued with our club visits spending time in the eastern part of our District. As expected the projects and programs were extensive and interesting. Our biggest problem is membership or more specifically the declining number of members in our District and it is gratifying to see the clubs addressing this problem with enthusiasm.

At our District Management meeting held in Calperum Station, the team was able to share time away from the pressures of business and good fellowship resulted in renewed and revitalized approach to our roles.

For those who have not yet visited Calperum Station it is a hidden gem for Rotary. There are many programs that can be undertaken such as tree monitoring, salinity readings, feral animal control, surveying the population of endangered bird species and the like.

Rotary House has benefited from new carpet and a major kitchen refit with donations from the Blackwood and Mitcham clubs. The District is seeking interest from committed

Rotarians to form a group of no more than four to oversee the activities at Calperum. It is also envisaged that a member in each club will be allocated to help coordinate programs by the clubs in the future. For those who seek further information please contact Bob Arnold whose details appear in the District Directory.

Another issue discussed at Calperum was the matter of Risk Management. Clubs need to review their procedures and Risk Management policies to ensure that they are up to date with the legal requirements and provide adequate protection for Rotarians and friends of Rotary actively involved in club projects.

As we move towards the festive season it is important that our procedures and equipment are thoroughly tested and that we do not cut corners in our Risk Management to place anyone at risk.

The District has just completed two Rotary Leadership Institute training sessions that were well attended. Interest in the program has increased to such an extent that the next course, which is due to commence in April has already had many expressions of interest from enthusiastic Rotarians. Visit the District Website "Training: page for more information.

SHELTER BOX

ShelterBox is already on site in Turkey – as you can see from the following URL (<http://www.shelterbox.org/news.php?id=863>)

Following the massive earthquake that struck southeast Turkey on 23 October, a ShelterBox team is on the ground in the affected area to offer assistance to families in need. ShelterBox Response Team (SRT) members David Eby (US) and Mark Pearson (UK) arrived in Van, a city close to the epicenter of the earthquake, this morning, 26 October. The SRTs are working closely with Turkish Red Crescent - who have requested ShelterBox provide 5,000 boxes! The Turkish Government has now officially requested international assistance and the team is holding discussions with the authorities and other partner to establish how to get urgently required emergency shelter to those in need.

**SHELTER BOX (CONTINUED)**

David reported: "The weather forecast predicts snow in the next few days, so it is essential that appropriate emergency shelter is provided as soon as possible. Families left homeless will suffer in the sub-zero temperatures unless they are provided with warmth and protection." ShelterBox tents are designed to withstand extreme temperatures, high winds and heavy rainfall. A purposely designed thermal layer can be added between the inner and outer sheets for extra insulation in extreme conditions. ShelterBox can also provide stoves, groundsheets, blankets and warm clothing for people in need.

Globally: - Clearly we are responding on a global scale – with a new disaster every two weeks worldwide. So far 2011 has seen ShelterBox involved in 20 disasters - typically >30,000 boxes per annum are distributed but it is essential to have stock ready for immediate deployment – particularly in crises such as Turkey with sub zero night time temps and snow & winter onset just beginning.

ShelterBox teams are also currently assisting in **Thailand** (500 boxes already distributed), **Ethiopia**, **Kenya** (10,000 tents with UNHCR), **Philippines** and Response Teams are assessing need for aid in **Central America** where Hurricane Jova and torrential rains have caused landslides and flooding, leaving hundreds of thousands affected. This year Australian SRTs have deployed to Ethiopia, Kenya, Madagascar, Thailand, Haiti, Japan and Bolivia to name a few. We are now one of the foremost sources of hope in times of disaster.

ROTARY OCEANIA MEDICAL AID FOR CHILDREN**WHAT IS ROMAC?**

ROMAC is now in its 20th year of operations. Rotarians volunteer their time and expertise to run this Rotary program that encompasses all the Districts of Australia and New Zealand. ROMAC is assisted by many eminent Australian surgeons who generously respond to requests for assistance, this humanitarian program has provided over 300 children from 20 countries with urgent medical treatment that has given them new hope. To date, children have been brought from Fiji, Papua New Guinea, Malaysia, Indonesia, Sri Lanka, Bangladesh, Vietnam, Cambodia, Russia, China, Tonga, Solomon Islands, The Philippines, Pakistan, Iran, Timor-Leste, Vanuatu, Kiribati, Nauru and Zimbabwe.

The children usually come from very remote areas and are brought to Australia, as medical treatment is simply not available in their home countries. These are children with herniated brains, deformed limbs, horrific burns, heart conditions and in the case of the Bosun (Siamese) twins, separation as they were joined face to face from the lower chest to the umbilicus.

Today our District along with District 9500 is actively involved with one child returning home after treatment and another arriving to receive treatment.

THE ROTARY FOUNDATION

I am pleased to announce that the District has its third Peace Fellow with **Sandy Morey**

winning a place at the Peace studies Centre at Chulalongkorn University, Bangkok. Sandy was another outstanding candidate. He is an Inspector, SA Police, who has specialised in juvenile justice and indigenous issues. He was the first co-ordinator of the Blue Light program. He also undertook a leadership program and worked in Japan a few years ago. He holds a number of qualifications including MA Terrorism, Safety and Security, Bachelor of Education and Bachelor of Social Sciences. Sandy will take up his place in June 2012. Sandy is being mentored by **Hyde Park**.

Juliet Kenny, who was awarded a Peace Fellowship in 2010, was due to take up her studies at the Universidad del Salvador, Buenos Aires, in February 2012; has had to change universities because the Foundation Trustees withdrew accreditation of that university for the peace and conflict studies program. She will now take up a place at the University of Uppsala, Sweden in August 2012. Juliet is being mentored by **Norwood**.

Hannah Watson, our Ambassadorial Scholar, will go to the University of Leiden in the Netherlands to under-take a Masters program in international law. She commences in August 2012. Hannah is being mentored by **Brownhill Creek**.

Rotarians will have an opportunity to hear one of these Scholars speak at the various Foundation Celebration dinners being held this year. The first dinner was for Group 8 at which 100 Rotarians and partners attended to hear Shawn Mire, an Ambassadorial scholar from New Orleans. Shawn will also speak at Broken Hill in November at a joint dinner for the two clubs. Also in November, Juliet will speak at Murray Bridge and Hannah will speak at Stirling. Groups 4,5,6 and 7 will schedule their dinners in the first half of 2012.

DONATIONS TO TRF PROGRAMS

November is The Rotary Foundation Month

The Rotary Foundation of Rotary International enables Rotarians to enhance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

The Rotary Foundation has developed many successful programs to address this mission:

Polio Eradication Program. To eradicate from the last four endemic countries (India, Pakistan, Afghanistan and Nigeria) together with controlling and eliminating outbreaks in other countries where spot occurrences occur (Tajikistan, Congo, China).

Humanitarian Programs which include: District Simplified Grants Matching Grants Health, Hunger, and Humanity Grants (3H)

Education Programs

Rotary Foundation Ambassadorial Scholarships
Rotary Centres for International Studies in Peace and Conflict Resolution
Group Study Exchange.

While it is recommended that *Every Rotarian* make a contribution to the Foundation *Every Year*, contributions are completely voluntary.

OUR Foundation is entirely reliant upon donations from those of us who care, and who seek a better world. If we believe in these ideals surely OUR Foundation deserves support as our preferred charity. Donations are tax deductible through the Australian Rotary Foundation Trust.

The Rotary International Board and the Trustees of The Rotary Foundation have agreed to observe The Rotary Foundation Month each November. During this month, clubs are urged to devote at least one club program to the Foundation.

AUSTRALIAN ROTARY HEALTH

How can you help improve Indigenous health?

Even in an age where a person can receive basic medical treatment over the phone, Australia's Indigenous population remain the sub group of Australians with the highest number of health problems. Members of the Indigenous population are nearly twice as likely to develop heart disease or die from a lifestyle related cancer. Diabetes is 3.5 times more common in Indigenous communities and those over the age of 18 are twice as likely to develop psychological distress than someone of non-Indigenous descent.

Almost a quarter of Australia's Indigenous population live in remote Australia, where access to medical services and facilities is limited. Further complicating matters is the fact that Indigenous Australians are known to seek out treatments from other members of the Indigenous community with whom they feel a spiritual understanding.

The Indigenous Health Scholarship program is a collaborative project between Australian Rotary Health, participating Rotary Clubs, the State Governments of South Australia, New South Wales and Victoria and the Australian Government. Since 2002, Indigenous Health Scholarships have been available to encourage Indigenous students to undertake training as a health professional in areas including medicine, nursing, social work, physiotherapy, psychology and dentistry.

An Indigenous Health Scholarship valued at \$5,000 can make the world of difference to a struggling student. For a commitment of only \$2,500 per year, your Rotary club could directly help improve the health and wellbeing of Australia's Indigenous population.

If you would like to know more about this program and how you can help improve the health and education outcomes for Australia's Indigenous communities, please contact Cheryl Deguara, Programs Co-ordinator, on 02 8837 1900 or email cheryldeguaara@australianrotaryhealth.org.au.

GROUP STUDY EXCHANGE

During the last month we have been fortunate to have the incoming team from District 2350, Sweden visiting our clubs and experiencing our vocational and cultural pursuits.

The team was farewelled at a meeting of the Noarlunga East club and the District committee members last Saturday night.

A special thanks to all those who hosted and looked after the team during their visit.

WORLD POLIO DAY

(Sydney Morning Herald Article)

On World Polio Day on 24 October, Rotary Foundation Trustee Anne Matthews, General Secretary John Hewko, International PolioPlus Committee member John Sever, Bill Gates, and International PolioPlus Committee member and past RI President Jim Lacy, accompanied dozens of Rotarians on Capitol Hill to affirm the joint commitment of the Bill & Melinda Gates Foundation and Rotary to make history by eradicating polio.

JOIN OUR RDU TOUR GROUP

FOR THAT SPECIAL BANGKOK CONVENTION EXPERIENCE ...

By Bob Aitken—Executive Director of RDU.

Are you one of those people who have often thought about attending a Rotary Convention but then abandon the idea because no one in your Rotary Club shared your enthusiasm? Well, here's your chance.

Rotary Down Under is again partnering with Venture Holidays to offer two exceptional value tours to the 2012 Convention in beautiful Bangkok, Thailand—the land of a thousand smiles!

Would you believe it possible for you to spend 9-10 days in Bangkok for around \$2,000? Yes, it's true. And, if you are one of the first 20 to register for either tour, you will win a unique Rotary Down Under Convention tour shirt and hat or shade.

Touring with the RDU Team is a sure way to guarantee plenty of Rotary fun and fellowship. We plan to have groups departing from Auckland and Sydney—led by senior staff members.

These offers are too good to miss and there are excellent air fares available right now.

For details refer to the October issue of Rotary Down under or call Adele at Venture on 1300 303 343.

RI 2012 Convention Tour hosts—Bob Aitken, Beryl Robinson, Barry Antees and Mark Wallade.
