**OCTOBER IS
VOCATIONAL SERVICE
MONTH**

Deadline for receipt of items for the

October is Vocational Service Month. Many clubs will celebrate this month with visits to organizations, awards being granted such as Pride of Workmanship, and many speakers will present at Rotary meetings on the virtues of Vocational Service.

Vocational service is unique and as an Avenue of Service helps us to do what we do best. If you have not already planned activities consider an event or program to recognize high ethical standards and public values in the community.

As Kathy and I continue on our club visits we marvel at the extent of commitment by Rotary Clubs and their efforts to the many programs that work to make our world a better place. From the New Generations programs of National Youth Science Forum and Rotary Youth Leadership Awards to Matching Grants for hospital equipment in overseas countries our Rotary focus and commitment remains strong.

Last month I was fortunate to attend the opening session of the RYLA 2011 and meet the thirty-five RYLA participants who spend a week honing their leadership skills and developing a teamwork approach to activities that will hold them in good stead in their future career aspirations. Kathy & I were also fortunate to attend the RYLA Graduation Dinner on Thursday 29th September where with special guest, Hon Grace Portolesi MP; Minister for Youth, approximately 180 Rotarians, guests and the thirty-five RYLA participants celebrated their graduation. What an amazing group of committed young people.

RYLA attendees at Nunyara

It is also pleasing during our club visits to witness inductions of new Rotarians who will contribute greatly to our programs. The most recent of these being Kirsty Stark, a Group Study Exchange (GSE) team member to Sweden was inducted this week into the Magill Sunrise Club and I had the pleasure of participating in that induction.

L>R: Kirsty Stark, DG Bruce, President Ian Carmen

The Rotary Australian World Community Service (RAWCS) showcase was held last month along with the Awards dinner to recognize the contribution of clubs to RAWCS and its programs. Unfortunately the dinner was not attended as well as expected and many clubs missed the opportunity to hear of the important programs undertaken by RAWCS. Keep an eye out for the RAWCS day next year to learn more of the opportunities to provide service in this area.

There are many other programs being undertaken by Rotary Clubs at this time of the year. One of these is the Group Study Exchange team from Sweden visit to our District; make sure you take the opportunity to attend one of the group meetings to meet these young professionals whilst they are here in our District. Other events include the Strathalbyn "Duck Race", the Glenelg "Art Show" and the Onkaparinga "Antique Fair" to name a few.

Do not forget the Rotary Foundation Grants Workshop on October 9th to learn more about the opportunities of using Matching Grants and Simplified Grants in local and International communities. This is just one way to learn more of the Rotary programs that will enable us to "Reach Within to Embrace Humanity".

Yours in Rotary
DG Bruce

VOCATIONAL SERVICE

October is set aside as the month for special emphasis on **Vocational Service** awareness and projects.

How quickly the time passes, we are already up to October. **Has your Club arranged a particular event to recognise and promote the importance of Vocational Service to Rotary and within the community in this month?**

As one of the prime Avenues of Service in Rotary, RI President Kalyan Banerjee has written urging greater emphasis on Vocational Service this year.

Kalyan wrote "As you know, Vocational Service is what makes Rotary unique. It is the foundation of all of Rotary".

Key messages, from Kalyan to assist Club to focus on Vocational Service.

- Strengthen the emphasis on vocation and classification in new member recruitment and induction.
- Identify means of emphasizing vocation in club activities.
- Create a stronger emphasis on business networking with integrity in Rotary at the club and district level.
- Focus more attention on business networking with integrity as a means of attracting and mentoring the new generation.
- Emphasize the connection between the Four Way Test and the Declaration of Rotarians in Businesses and Professions and their importance to the values of Rotary.
- Work with New Generations at promoting ethics and integrity.

For further writings on Vocational Service and Rotary please see the article in August RDU pages 13 & 14 also page 13 of September issue.

THE ROTARY FOUNDATION

Hannah Watson selected as Ambassadorial scholar

The district is pleased to announce that Hannah Watson of Highgate has been selected as an Ambassadorial scholar for 2012-13, the first time for many decades that the district has had sufficient funds to select a scholar. Hannah is a lawyer and plans to gain a Masters degree in international law at the University of Leiden in the Netherlands.

Hannah, an outstanding candidate, graduated with Honours in law and international studies at the University of Adelaide. She also holds a Diploma of Languages (Spanish) and is fluent in Portuguese (was an exchange student from D9500 to Brazil in 2004). Her schooling was at Cummins, Port Lincoln and Mercedes College. Hannah also undertook a 3 month internship in 2010 at the UN International Criminal Tribunal examining war crimes in the former Yugoslavian countries.

Hannah is being mentored by the RC of Brownhill Creek.

If clubs wish to have Hannah as a guest speaker please contact the Scholarships chair, Satish Gupta.

GSE TEAM TO DENMARK (RETURN PRESENTATION)

Date: Monday 5th December
Time: 6:30 for 7:00 pm
Venue: Goolwa Hotel
Cadell Street, Goolwa
Cost: \$25 per head
(2 course meal)

TRF MONEY BOXES

The Rotary Foundation money boxes are still available on request and a simple phone call or email to Rotary Centre in Parramatta will have them speeding back to any club that wants them.

This is a free of charge item and the only condition is that they come back full (well – at least a cheque to the same value). It's a great way of achieving 100% Centurion membership as something like \$2 a week will turn into the century of dollars required to be part of this great program.

Get this message out to clubs quickly. Every box that goes out will increase the district's Annual Giving total by \$100 and that means more DDF further down the track.

Email: risppo@rotary.org
or phone 02 8894 9800 with orders.

FUTURE VISION PILOT - FIRST YEAR

(By Dan Nixon - Rotary International News -- 22 September 2011)

A project supported by a Rotary Foundation Global Grant is giving children in Yirimadjo, Mali, hope for a malaria-free future.

One hundred Rotary districts and their member clubs set a brisk pace in the first year of the Future Vision pilot, recording many milestones along the way.

The Rotary Foundation awarded 208 global grants, totaling almost US\$12 million, in 2010-11. These grants supported large-scale, sustainable activities aligned with Rotary's areas of focus in 46 countries.

The first global grant project, completed in July, proved highly effective in preventing the spread of dengue fever in a community in Surakarta, Central Java, Indonesia. Other global grant efforts helped provide thousands of people in Sierra Leone with access to clean water, boosted malaria prevention and treatment in Mali, improved sanitation in India, and expanded literacy in Kenya, to name a few. The grants also funded vocational training teams and equipped scholars to work in sustainable development, health care, peace and conflict resolution, and other fields related to the areas of focus.

YELLOW BOAT ROAD

The Yellow Boat Road completed the circumnavigation of Australia on September

11th after 77 segments having left Sydney on June 2nd. To date Rob Pennicott and his team have raised \$241,722 of which 92% will go to the End Polio Now program. Rob, together with Mick Souter and Camerman Zorro Gamarick, completed the first ever circumnavigation of Australia and Tasmania in an outboard driven boat.

What a magnificent effort!

AUSTRALIAN ROTARY HEALTH

Supporting a rural doctor or nurse

Many of us know the irritation of waiting to be seen at our GP's office. The frustration at wasting a few minutes flicking through old magazines often outweighs the appreciation of knowing that there will be a doctor available to us when our name is called. But for the 37% of Australians who live in a non-metropolitan area, 'popping in to see a doctor' is not always an option.

A low number of rural doctors and nurses, poor funding and the vast geographical size of rural hospital and clinic catchments places an increasing amount of pressure on health care services and workers in rural and remote settings.

Australian Rotary Health is actively supporting rural health care by providing scholarships to student doctors and nurses who agree to attend a placement in a rural or remote community. This scholarship allows the recipient to see what a rural community has to offer both personally and professionally and encourages them to consider a medical career in rural Australia upon graduation.

Not only do rural placements help foster ties between medical and nursing students with rural communities, they also allow students to see and experience a range of clinical problems that would not commonly present in metropolitan communities, all while being exposed to a new and adaptive learning environment.

Now with the help of sponsoring Rotary Clubs, Australian Rotary Health has sponsored 76 rural doctors since 2009 and 15 rural nurses since 2007. Your club's sponsorship could increase the amount of medical care available to your fellow Australian.

To find out how your Rotary Club can be involved in sponsoring a rural doctor or nurse, contact Cheryl Deguara, Programs Co-ordinator, on (02) 8837 1900 or cheryldeguaara@australianrotaryhealth.org.au.

RC OF MURRAY BRIDGE—"STEPUP" PROGRAM

The Rotary club of Murray Bridge was a major contributor in this new Event held in Murray Bridge and the first time it has been held in South Australia. Four Murray Bridge Rotarians were involved in the Core Creation Team which planned and staged the Event on a weekly meeting basis for four months. Twenty seven Murray Bridge Rotarians were involved in the three days of the Event. The Event brought the Regional Community including the Murraylands, Riverland, and Adelaide Hills together with the message for teenagers "If it's possible for you, it's possible for me, it's just a matter of how!" 250 teenagers participated, organised by DECS with 50 Coaches who paid or were supported by sponsors to be trained and act as facilitators. The teens were divided into groups(pods) of 6, each with a coach and were taken through a series of activities with motivational speakers of very high quality. The StepUP Foundation has some very similar goals to the Murray Bridge Rotary Club's Rotary Assisting Local Youth program (RALY). The speakers were Adam Thompson (a Rock Star with the band "Chocolate Starfish") as Head Coach and Speaker, Rowena McEvoy, Cynthia Morton, the Hon Kelly Vincent MLC, Paralympian Katrina Webb, Blue Earth, and Derrick McManus. Sponsors were critical, Wow! Prizes were used as incentives, and the feedback has been excellent. The Event was costly to

put on in terms of both finance and time but reached such a large number of teenagers its cost effectiveness was justified. See Rotary MB Facebook Website and Google -

SECRETARY'S CORNER**MONTHLY FORMS TO THE DISTRICT SECRETARY**

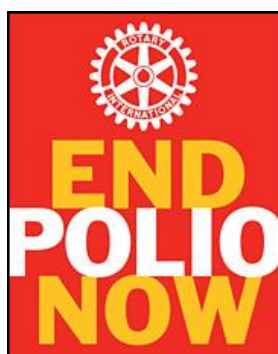

Thank you to those Secretaries or Attendance Officers who send their Monthly Attendance and New Member / PHF Forms each month so that I can update the District figures. Again 22 clubs figures are from the either their last advice or from the RI Website. Those clubs not sending in reports have been sent an email asking for their co-operation so I trust some extra responses will be forthcoming!

DISTRIBUTION OF ROTARY INFORMATION

If you have Rotary information that you would like distributed to Clubs or included in the Weekly Newsletter or the DG's Newsletter, please email me a word or acrobat file.

UPDATING MEMBER DETAILS

One of the Roles undertaken by the Club Secretary is to update member details on the RI web-site. Doing this as changes occur will mean as new members join, others leave or members change clubs, the information will be current. From an Insurance perspective it is important to have your members covered by the Rotary Insurance Policy by having up to date club information on the RI site.!
