

PDG Noel Trevaskis Appointed an RI Director

It has been announced that Past District Governor Noel Trevaskis is the successful candidate for the position of Rotary International Director 2016 -18 [Zone 7a (Philippines, Indonesia), Zone 7b (New Zealand) and Zone 8 (Australia)].

Noel has been a Rotarian since 1996, joining the Rotary Club of Goulburn Argyle. He is now a member of the Rotary Club of Bega in District 9710.

At District level he has been an Assistant Governor, Chairman of Australian Rotary Health, Chairman of Membership, District Trainer and is currently Chair of the Australia and New Zealand Agriculture Exchange.

Noel has been a Regional Coordinator for the past three years, was instrumental in the production of the Membership Development Plan for our region and has played a key role in Rotary training at a District, National and Regional level.

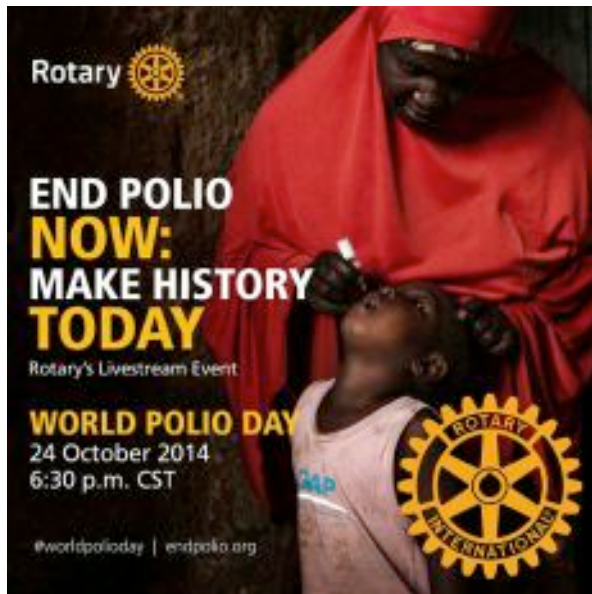

Outside of Rotary his interests are golf, cricket, gardening and family. Noel and his wife Sue live at Tura Beach on the far South Coast of New South Wales; they have five children and ten grandchildren.

World Polio Day

World Polio Day is October 24th. Join others from around the world for a live-streamed global status update with Rotary's global partners, ambassadors and polio survivors.

Find out where we are in the fight to end polio, what we have accomplished and how we can make history together.

It costs only 60 cents to protect a child against polio for life. Reaching the most vulnerable children with the polio vaccine leads the way to the delivery of other life-saving resources. A win against polio is a win for global health in the broadest sense – a true legacy.

We can end polio now. Don't miss this moment in history!

Locally, the World Polio Day Global Update can be viewed on Saturday, October 25th at 10:00am on this site:

ROMAC

Three of the 50+ reasons why you would want to support ROMAC

Over the last few years ROMAC has proudly changed and saved the lives of close to 50 children a year.

Children like 7 year old Aze, top, was very small for his age as his cardiac disease stunted his growth and often made him breathless. Following his operation he was thrilled to see himself being interviewed (and promoting Rotary!) on Channel 9's news. The Timor Leste Community provided translators, and we are grateful to the Jared Duncombe Fund for their financial support.

Children like Loren who used to hide her face and even smash mirrors so that people would not see her 'ugly' hernia. Now she has a big, happy smile especially after being helped by the International Miss World contestants and, of course, ROMAC.

Children like Charlie who arrived with limited mobility due to his club feet plus we had concerns for his mental comprehension. Fortunately he quickly developed into a cheeky, toilet trained, TV and iPod addict and a very happy outgoing child loved by all.

ROMAC's privileged to have the support of an amazing group of **caring surgeons and their teams who generously donate their services**. This compassion coupled with minimal overheads - **no office, no paid staff** - ensures that every donated dollar is worth many, many times more. Plus it's comforting to know that your donations are spent supporting local businesses in our local communities where our local hospitals are located.

Please help Rotarians continue their humanitarian work with a generous, tax deductible donation now because, sadly, our deserving children often can't afford to wait.

Your personal and club donations will help ROMAC save even more needy children's lives.

On behalf of our children and their grateful families, **Googoo gaga!** (baby talk for Thank you!)

Yes! I would really like to save a child's life. **Donations of \$2 or more are tax deductible.**
