Social Media Policy

Find us on
Facebook

Many Clubs are using social media such as Facebook, Twitter, Google+ to engage their members and the wider public. However, it is also an area in which rules and boundaries are constantly being tested. Our District wishes to maximize our social media reach, while protecting our public reputation.

It is strongly recommended that Clubs adopt the following protocol on their Facebook sites:

Facebook Posting Guidelines

We encourage discussion and debate in the comments, however, we do not allow:

- Offensive or suggestive language
- Personal attacks
- Anonymous postings
- Widely off-topic comments
- Spam or advertisements
- Offensive visual materials

We reserve the right to delete comments that fall into any of these categories.

These Guidelines are in addition to Facebook's own Terms of Use, which can be found at <https://facebook.com/communitystandards>

More information, including procedures for Social Media Administrators, will be posted shortly on the District website.

Friendship Exchange to Canada - 2015

A group of 21 Canadians from Rotary District 7010, north of Toronto, travelled to Adelaide in February 2014, where they enjoyed the hospitality of Rotarians in D9520 from 12 clubs - Burnside, Hyde Park, Stirling, Somerton Park, Flagstaff Hill, Noarlunga East, Murray Bridge, Mobilong, Taillem Bend, Strathalbyn, Encounter Bay and Victor Harbor.

The return visit to Canada in September 2015 is already fully subscribed, however, several Rotarians in the return group have planned additional tours either side of the exchange. Anyone who would like to join in a pre-exchange tour with fellow Rotarians. The present group consists of 9 Rotarians and friends from Burnside, Flagstaff Hill and Hyde Park Rotary Clubs.

As this is not part of the Rotary Exchange, travellers do not need to be Rotarians. Here's a great opportunity to join with a group of like-minded tourists and either share their company or do your own thing.

Please contact Gordon Wilkinson (Rotary Club of Hyde Park, 0413 614 644, neredon@gmail.com) if you would like to join with us.

World Polio Day

World Polio Day is October 24th. Join others from around the world for a live-streamed global status update with Rotary's global partners, ambassadors and polio survivors.

Find out where we are in the fight to end polio, what we have accomplished and how we can make history together.

It costs only 60 cents to protect a child against polio for life. Reaching the most vulnerable children with the polio vaccine leads the way to the delivery of other life-saving resources. A win against polio is a win for global health in the broadest sense – a true legacy.

We can end polio now. Don't miss this moment in history!

Locally, the World Polio Day Global Update can be viewed on Saturday, October 25th at 10:00am on this site:

October is Vocational Service Month

Vocational Service is the way Rotary fosters and supports the application of the Ideal of Service to the pursuit of all vocations.

Vocational Service is the shared responsibility of both each Rotary Club and its members. The role of the Club is to implement and encourage the Object by its own actions in dealing with the community and by the development of projects that enable members to use their vocational talents in the service of the community.

The role of members is to conduct themselves and their businesses in accordance with Rotary principles, as embodied in 'The 4 Way Test', to observe and live by The Rotary Code of Conduct and to support the Vocational Service projects that the club has developed.

Promoting integrity through ethical behaviour is an essential part of what it means to be a Rotarian. Two standards developed by Rotarians — The Four-Way Test and the Rotary Code of Conduct — provide a road map for ethical behaviour in the workplace and other areas of life.

The Four-Way Test

The Four-Way Test was conceived in 1932 by businessman Herbert J. Taylor, a member of the Rotary Club of Chicago, who served as Rotary International President in 1954-55.

Having taken on the task of saving a company from bankruptcy, Taylor developed the test as an ethical guide to follow in all business matters. The company's survival was credited to this simple philosophy.

Adopted by Rotary International in 1934, The Four-Way Test remains an essential standard against which Rotarians measure ethical behaviour. It has been translated into dozens of languages and promoted by Rotarians worldwide.

The 4-Way Test

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL & BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Rotary Code of Conduct

As a Rotarian, I will

- ❖ Exemplify the core value of integrity in all behaviours and activities
- ❖ Use my vocational experience and talents to serve Rotary
- ❖ Conduct all of my personal, business and professional affairs ethically, encouraging and fostering high ethical standards as an example to others
- ❖ Be fair in all dealings with others and treat them with the respect due to them as fellow human beings
- ❖ Promote recognition and respect for all occupations, which are useful for society
- ❖ Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, to improve the quality of life in my community
- ❖ Honour the trust that Rotary and fellow Rotarians provide and not do anything that will bring disfavor or reflect adversely on Rotary or fellow Rotarians

White Ribbon Breakfast

ADELAIDE WHITE RIBBON BREAKFAST

White Ribbon Day celebrates Australia's only male-led campaign to stop men's violence against women. This is your opportunity to show support for the White Ribbon Campaign.

**Co-Hosted by Media Identities
Leigh McClusky & Ron Kandelaars**

**KEYNOTE SPEAKER:
LT GENERAL DAVID MORRISON AO
CHIEF OF ARMY, AUSTRALIA**

Lt General Morrison held a variety of regimental positions before being appointed as Australia's Chief of Army in 2011.

He is well-known for his three minute speech on the YouTube hit last year, viewed by one and a half million people, wherein he gave his soldiers a directive to leave the forces if they did not accept that women had to be respected and treated as equals, saying "if that does not suit you, then get out!"

Exactly a year later he shared the stage in London with British Foreign Secretary, William Hague and Angelina Jolie, UN Special Envoy at the Global Summit to end Sexual Violence in Conflict. His was a very powerful message, labelling gender inequality in militaries a "global disgrace" saying "...every soldier has a simple, terrible choice: to be a protector or a perpetrator - there is no other choice, either in cases of a soldier witnessing a rape by another soldier, or by civilians in war zones. I have deliberately excluded a third choice, to be a bystander while others commit sexual violence. There are no bystanders - the standard you walk past is the standard you accept."

When: Tuesday, 25 November 2014
Where: **NEW VENUE FOR 2014** - Adelaide Convention Centre, Hall F
Time: 7.00am until 9.00am
