December is the Family of Rotary Month

In pursuing the First Object of Rotary, we seek 'to encourage and foster the development of acquaintance as an opportunity for service.' Friendship and fellowship was the foundation on which Rotary service was built.

The approach to Christmas provides an opportunity to reflect on our family values. Beyond the immediate family is the family of Rotary. This is a large family indeed. The members include the alumni of all the programs that Rotary supports directly and indirectly. There are the major programs such as RYLA, RYPEN, Youth Exchange, NYSF, Peace Scholars and many others. Sadly, we often lose contact with these family members after they complete their program. It is the responsibility of all of us as Rotarians to do our best to keep them within the family of Rotary.

Hat Day Badge Sales Report

AUSTRALIAN ROTARY HEALTH Hat Day Badge Sales Report Districts 9500 and 9520

'Thank you to all those who worked and contributed to the success of Badge Day. A total of **\$9,335** was raised for Mental Health Research.

The event was part of Hat Day and Badge Sales were conducted throughout the two districts on Friday 10th October, to coincide with International Mental Health week and Hat Day for Australian Rotary Health.

The 34 Volunteers who collected in the city area were recruited from Rotary Clubs, Rotaract, Principals Australia Institute and Friends of Rotary. Outside of the city, a number of events added to the overall amount collected on the day, with collections by Salisbury Park Primary School, Pedare College, a morning tea and badges sales held by SAHMRI, counter box sales, sales in Stirling, Salisbury, Peterborough, Alice Springs, Golden Grove, Noarlunga, Seaford and Victor Harbor.

Thank you also to the Bendigo Bank who generously allowed us the use of office space for the distribution and collection of trays. This enabled us to deposit the funds collected directly into the bank account and provided good accountability.

The response from the public was extremely generous, with counter boxes returning between \$10 and \$67 each over a few days. The overall aim was to create awareness and attract donations from the public and approx. 60% of people were happy to donate without reward. A fantastic result, but it is also a measure of how important the public perceives the need for mental health research and recognises the role of Rotary in this regard.

Thank you all for your tremendous effort and a fantastic result'.

Sergeant John Illingworth (Rotarian) – SA Police Officer of the Year and Road Safety Expert

Sergeant John Illingworth was awarded the South Australia Police Officer of the Year in 2013 for his outstanding service to policing and the community, particularly in the area of road safety. John joined the Police in 1979 and was appointed as Road Safety Coordinator in 2007. He restored effective communication with the public through the media with courtesy, understanding and humour. New programs were initiated dealing with better understanding of the road rules and human factors, which affect driving performance.

John has played a key role in guiding legislation and displaying road safety material across the State, including in remote localities. He has worked with the Royal Institute of Australia to meld road trauma case studies with science to achieve a better understanding of dangerous driving – secondary school science teachers are being used to sell the message in our schools. No demographic group in the State has been immune from his efforts to improve road safety and drive down the death and injury toll.

International Rotary Table Tennis Championship

International Rotary Table Tennis Championship

“Play in Nepal View Mt. Everest”

“3 F”

Fun, Friendship and Fellowship

Rotary International District 3292 is organising an international level table tennis championship in the scenic city of Kathmandu, Nepal.

The tournament will be held just before the proposed prestigious “Peace Conference” organized by RI District 3292, in which our Rotary International President Gary C.K. Huang and the President of Nepal, Honorable Ram Baran Yadav will jointly inaugurate the ceremony at Lumbini, the birth place of Gautam Buddha, the World Peace Messenger. Rotary International including District Governors and Government officials from Nepal will attend the ceremony. Confirmation of attendance by more than 1,500 Rotarians from around the world clearly shows the importance of this event.

With the aim to further strengthen the fellowship between Rotarians world wide, the proposed table tennis championship will be open for participation to Rotarians from around the world.

We encourage Rotarians to participate in this fellowship.

Have you ever played table tennis? If yes, you can participate at the tournament in one of the events. Let us participate as Rotarians and help us to make this event a success.

Please disseminate this information to all clubs within the District and encourage members to participate in this tournament. It is also an opportunity to visit the beautiful country, Nepal, that is bestowed with 8 of the 10 highest peaks in the world and natural beauty that will take our breath away.
