## Rotaract Club of Sturt – Charter Night

**Charter Night for the  
Rotaract Club of Sturt  
on Thursday, May 28<sup>th</sup>  
at the Hackney Hotel**

## Centurion Reminder

We are fast approaching the end of the Rotary year. **This is a time when many Rotarians renew their Centurion donation – at least \$100 per year to the Rotary Foundation, which is tax deductible. Contributions also count towards a Paul Harris Fellow.**

All Centurion contributions count towards a Club's Annual Giving total. It is also part of the District's contribution, resulting in 50% of the contribution coming back for use as support funds for the programs we want to promote.

Rotarians can make individual donations and alternatively Clubs are encouraged to make donations on behalf of members.

**Importantly, all Centurion donations must be accompanied by the appropriate Donor form.**

**More information and the appropriate Application Forms can be obtained by clicking on**

## Changes to the Rotary International Website

There have been some recent changes to the Club and District pages on the RI website:

- **Overall redesign:** Related activities will be grouped together
- **Quick Links:** The ability to designate favourite links from the Club & District Administration section and access them from your my Rotary dashboard.
- **Terms of Access:** **Incoming Club and District Officers will have access to Club and District information by June 1<sup>st</sup>. Most outgoing Club and District Officers will retain access to the information for 12 months.**

## Rotary Payment Tips

- Please use your Club number as a reference to any electronic Rotary payment.
- Invoices are in US Dollars, as this is the official currency of Rotary International. These exchange rates can be found at <https://www.rotary.org/myrotary/en/exchange-rates>

## Incoming Club Officers

# Rotary

Clubs will be starting to plan for their changeover functions in June or July. A new Rotary year brings many new Club leaders. **However many Clubs have still not reported all their incoming Club Officers.** It is very important that these Officers and their email addresses are entered in My Rotary to ensure that communication to Clubs continues smoothly with the changes in Club leadership.

## Rotary Youth Exchange - Update

### The Opportunity of a Lifetime!

#### Youth Exchange

Much has been said about the decline in Youth Exchange in Australia.

District 9520 Youth Exchange committee decided to take up the challenge of reinvigorating this valuable program.

Have you seen our ads in the movie theatres, the new website at <http://9520.ryea.org.au/>, or even our Facebook page. You may be aware, or have participated in the "Schools Presentation" produced and promoted by DG Jerry.

#### **Well something is working!!!**

Last year there were very few Expressions of Interest for outgoing students and only 2 actually went on exchange from our district. **But so far this year the Youth Exchange Committee has received more than 30 Expressions of Interest and will select some 10 students to send abroad in January 2016.**

- This program is for students aged between 15 and 17 years. Long Term Rotary Youth Exchange (LTYE) students spend up to twelve months living and studying overseas. The exchange is between a Rotary Club in Australia and a Rotary Club in the corresponding country.
- The program is open to any students who are returning to Australia for their secondary studies. Individuals can apply for scholarships through district and educational credits are available through SACE.

Rotarians, your children, grandchildren, nieces and nephews are eligible too.

- ✓ **Why be a tourist when you can be a local?**
- ✓ **A chance to live in another country and see the world from a new perspective through Rotary Youth Exchange.**
- ✓ **Someone you know or love could be one of them!**
