Much Interest in a Seaford Rotary Club

There has been much discussion recently about the possible formation of a new Rotary Club in Seaford. District Membership Chair Mark Huddleston identified Seaford as an ideal area for establishing a new Club, due to it's rapidly growing population, consisting of many young families.

An initial Information Night at Seaford revealed an encouraging level of support. This was followed by an introductory meeting last Sunday at the Seaford Community Centre, with District Governor Jerry Casburn in attendance.

Discussion focused on possible projects that the group could undertake, with a number of very positive suggestions. Possible future meeting venues and times were also canvassed. Interestingly, there was strong support for a breakfast meeting on a Saturday morning! The group has scheduled their next meeting for June 27th.

This is an exciting project, which will be followed with much interest.

Rotary Fellowships Month

The last theme month of the Rotary year is fellowships. Living in Chicago, Paul Harris created Rotary to foster the same fellowships he had experienced in the small towns of his youth. And in 1905, he chose four good friends, Gustavus Loehr, Silvester Schiele and Hiram Shorey to join him (pictured). As a result, fellowships have always been an important component in Rotary.

While individual efforts focus on individual needs, combined efforts serve humanity. The power of combined efforts knows no limitation; it multiplies resources and broadens our lives and perspectives. Fellowship leads to tolerance and transcends racial, national and other boundaries.

Did You Know?

The average age of the first 4 Rotarians was 38 years. Rotary was founded by young men!

District Changeover Invitation

Our next District Changeover is scheduled for Sunday 5th July 2015 from 12 noon to 12:30pm at the Belair Park Country Club. You are now invited to attend this important event in our Rotary Year.

A limited number of seats are still available, so please respond by email to Sam Cozens samliz@internode.on.net and you will be sent the detailed Invitation.

The cost is \$55 per person and all bookings must be completed by Thursday 25th June.

Photos of Paul Harris Fellow Awards

Paul Harris Awards

Special contributions of service above self by persons in our community are often recognised at Changeover events through Paul Harris Fellow awards. These are win-win ceremonies because our Foundation receives an injection of funds to resource high priority projects, and the awardee has the satisfaction of recognition within the community. If you would like to share this good news with others please send a good quality photo of the person receiving the Award along with a paragraph briefly highlighting the service being recognised, and the names of people in the photo, to Sam Cozens samliz@internode.on.net

Centurion Reminder

We are fast approaching the end of the Rotary year. **This is a time when many Rotarians renew their Centurion donation – at least \$100 per year to the Rotary Foundation, which is tax deductible. Contributions also count towards a Paul Harris Fellow.**

All Centurion contributions count towards a Club's Annual Giving total. It is also part of the District's contribution, resulting in 50% of the contribution coming back for use as support funds for the programs we want to promote.

Rotarians can make individual donations and alternatively Clubs are encouraged to make donations on behalf of members.

Importantly, all Centurion donations must be accompanied by the appropriate Donor form.

More information and the appropriate Application Forms can be obtained by clicking on

Vocational Training Team Update

ROTARY DISTRICTS 9520 & 9550 & THE ROTARY CLUB OF DILI

TIMOR LESTE ENGLISH TEACHER TRAINING PROJECT

VOCATIONAL TRAINING TEAM (VTT) NO 2 VISIT TO TIMOR LESTE - 4TH TO 17TH JULY 2015

Project Update – for all Clubs in D9520 & D9550

This is a Rotary Foundation supported Global Grant project jointly funded by D9520 and D9550. On behalf of D9550, Bob, David, Cristina and Crystal of the Rotary Club of Dili are helping the two Districts to implement this VTT project.

This VTT project is made up of 3 teams – totalling 16 participants. Brief details are:

-  **Vocational Training Team #1 (incoming) is made up 11 participants** – they are Toni (team leader from RC Dili) and 10 English language teachers (representing 5 Districts, from 7 Secondary Schools and SOLS Centre). The 10 teachers are – Teo (Aileu District), Luis and Henrique (from Liquica), Zelia, Adelina, Mateus, Jose and Marquita (from Baucau), Pedro (Manatutu) and Marcos (Dili). They were in Adelaide from 15th April to 24th May 2015, and participated in an English teacher training program.
-  **Vocational Training Team #2 (outgoing) is made up of 3 teachers** - Kathy (team leader), Bronwen and Wendy. These teachers are going to Timor Leste from 4th to 17th July 2015 - during the school holidays. During which, they will assist VTT#1 teachers to implement the training that they received in Adelaide and they will conduct number of full day and part day workshops for other teachers, assisted by VTT#1 teachers.
-  **Vocational Training Team #3 (outgoing) is made up of 2 teachers** – James and Jessie (team leader). Jessie is the only Rotarian in the 2 outgoing teams. These two teachers will go to Timor Leste in the September/October school holidays for 2 weeks. They will evaluate this VTT program and help identify training needs of Timor Leste English language teachers. I will provide an update on them at later date.

Your Help is needed – asap - please

1. **Donation of \$200 - 250 to cover internet costs in Timor Leste for our 5 outgoing members. Our teachers need to access internet, whilst in Timor Leste, to communicate with family & for their workshops etc. These costs cannot be recovered from TRF Global Grant. The Rotary Club of Dili doesn't have financial resources to cover needs of our 2 teams. It is the only Rotary Club in East Timor. The funds that I thought was available for this expense, was given to Days for Girls project. Your donation will be paid directly to the VTT 2 & 3 members.**
2. **Donation of a working digital LitePro/Overhead projector - our teachers visit to Timor Leste School has been welcomed by many. Many rural teachers will travel long distances to participate in the workshops. A projector would help to deliver the workshops more easily. These schools have no equipment. After the workshops are finished – with your permission – we would like to donate the equipment to VTT #1 school. See below program for the VTT#2 schedule in Timor Leste.**

Thank you in advance, Chandra Sluggett (VTT Chair, D9520)

ROMAC Update

Central Region (Rotary Districts 9500 and 9520)

Dear Club President and Board members of Districts 9500 and 9520,

After recent advertising in both District Bulletins for a host club and family, I am pleased to advise you that the patient coming to Adelaide in July to be treated at the Memorial Hospital a host club and family has been agreed. The Rotary Club of Kidman Park and Rotarian PP Grant Price and his wife Annabel will host the patient and parent for their stay in July.

The other clubs in both Districts that have shown interest and/or have been approached are still very welcome to contact me in regard to hosting, as we have patients coming in on a relatively regular basis and are very happy to keep your Club on record as a future host club.

If you want to know more about the ROMAC program, sponsorship or hosting, or the volunteers behind it, please contact me direct to arrange a speaker to attend your club meeting and share information about this great program.
