Seaford Family Fun Day - July 16th 2015

The Seaford Rotary Group will be holding a BBQ and information stall at the next Seaford Family Fun Day. This is a popular school holiday activity, organised by the Seaford Network. **It will be held at the Seaford Library on Thursday, July 16th from 10.00am to 12.00pm.**

Our stall will be at the entrance to the library, and will give us great exposure and the BBQ will represent a great fundraising opportunity. We realise that not everyone will be available for this event given it is held during business hours, so anyone who can volunteer their time would be welcome. We will be setting up from 9.00am.

New Assistant Governors

Don Will has now been a Rotarian for more than half his life. Born in Gawler he spent his youth on a vineyard in the Barossa. At the age of 15 he won a Rotary Essay Competition entitled 'What the youth of Gawler need most'. The youth centre proposed became a project of the Rotary Club of Gawler.

Studying at Adelaide University convinced Don that joining clubs or organisations is essential for one to assimilate into a community (a message he now believes Rotary needs to adopt for professional immigrants coming to Australia).

Don's career has been a series of projects using a combination of his engineering and accounting qualifications, and a lot of general management. Following periods as General Manager of the Naval Military & Air Force Club of SA, then the Royal Adelaide Golf Club, Don established a business in 2007 that is now Adelaide's largest serviced office and meeting room operation, occupying four sites in the CBD.

Don joined the Rotary Club of Hyde Park in 1983, Barossa Districts in 1986, then back to Hyde Park, before being Charter President of the Rotary Club of Eastwood in 1992. This was followed by a period on the District Committee, during which the Rotary Clubs of Magill Sunrise and Kent Town were established. Perhaps Don's 'Rotary moment' came in 2013 when, along with Ahmed Ranesh from the Maldives, the Rotary Club of Male (Maldives) was chartered, with our District being responsible for taking Rotary to the 207th country in the world.

Recently Don accepted DGE Dick Wilson's invitation to become Assistant Governor of the Group 7 Clubs.

- After July 1st, incoming Club Officers will be able to keep membership records current through My Rotary. This is a good time to "spring clean" and update telephone numbers and email and postal addresses.

Centurion Reminder

We are fast approaching the end of the Rotary year. **This is a time when many Rotarians renew their Centurion donation – at least \$100 per year to the Rotary Foundation, which is tax deductible. Contributions also count towards a Paul Harris Fellow.**

All Centurion contributions count towards a Club's Annual Giving total. It is also part of the District's contribution, resulting in 50% of the contribution coming back for use as support funds for the programs we want to promote.

Rotarians can make individual donations and alternatively Clubs are encouraged to make donations on behalf of members.

Importantly, all Centurion donations must be accompanied by the appropriate Donor form.

More information and the appropriate Application Forms can be obtained by clicking on

Rotary Race Day – TV Commercial

The Rotary Race Day Committee commissioned a promotional TV Commercial before the Meeting at Morphettville on May 5th. The video had almost 2,500 views and was promoted on the last 2 days leading up to the Rotary Family Fun Day Races. The video was a total of 15 seconds long and took 4.5 days of editing.

Sue-Ellen Cordon, from Connection Video Marketing, produced the video. Sue-Ellen has written to thank us and talk about the challenges she faced.....

Thank you to Jerry Casburn, Oleh Bilyk, Samone Wear from the Platinum Event Agency and the Rotary Committee for their tireless work in bringing together the Rotary Family Fun Day Races. This was a mammoth effort, requiring much dedicated work leading up to the Race Day.

It was a pleasure to work with Samone Wear. I can still remember the Facebook post that read “help needed to create a commercial for Rotary, roughly 10 hours editing required.” I have been a

keen supporter of Rotary due to seeing your results in my home town of Strathalbyn, so I was very keen to help, and looking forward to doing what was needed to spread the word about the Rotary Family Fun Day Races.

Video is an excellent tool for the promotion of an event such as this one. To give you some background, it normally takes 2 weeks to create the quality video that was produced for Rotary. Then an additional 2 weeks to get the video TV ready - you should see the pages of specifications required!

TV stations normally need to have a commercial booked 3 months in advance. Needless to say, the video project certainly wasn't smooth sailing! Firstly, the 7-day turn around schedule was like creating a miracle from the starting gates! The next challenge came when I viewed the supplied video footage - it was poor quality and unusable. The tight deadline was a constant challenge.

However, having a dedicated team supporting me, we managed to complete the video just in the nick of time.

Thank You and Goodbye!

Unfortunately, it seems that all good things must come to an end and sadly this is my final edition as Editor of the Herald. I have thoroughly enjoyed the year, and am very grateful for the opportunity to have served in the role. It has certainly given me a much greater understanding of the fantastic work done by so many dedicated Rotarians.

The Herald is an important method of communication across the District. I would like to thank you all for your help and contributions throughout the year. Your support and kind words have been greatly appreciated. My best wishes are with incoming District Secretary Sam Cozens as he takes over as Editor - I hope he enjoys the position as much as I have!

Warm regards,
Peter Hammond
