Scoop News for "The Herald" Readers.

Last Tuesday evening the Rotary Club of Kent Town organised a Tour of the Adelaide Oval, which concluded with an Induction of a new member.

What a stunning setting from the promenade deck of the Lindsay Head Terrace in the Riverbank Stand of the Adelaide Oval, with the city lights forming a brilliant backdrop to the River Torrens and the Walkway.

President Chris Harris inducted Will Owen (centre photo) as the latest new member of the Rotary Club of Kent Town, here being congratulated by Steve Hayter, left of photo.

Rotarian Will Owen was welcomed into the family of Rotary by a large group of assembled well-wishers.

Illuminate 2 is just over a month away. This is our premier membership seminar for 2015/16.

Our first key note speaker is PDG Noel Trevaskis OAM.

Noel is Project Lead for Membership Development for Australia, New Zealand and the South Pacific. Noel joined Rotary as a member of the Rotary Club of Goulburn Argyle in 1996, and is now a member of the Rotary Club of Bega.

During his year of President he became involved with Australian Rotary Health and the program of Community Mental Health Awareness Forums. Noel was one of the most sought after speakers for the program, travelling around Australia telling his story to help raise awareness of mental health and to help break down the stigma attached to this illness. In 2005, Noel was recognized for his efforts when he was made a Member of the Order of Australia. He is still in high demand by all areas of media, nationally and internationally to speak about mental health issues.

In 2003, Rotary International awarded Noel the Service Above Self Award which is the highest individual award a Rotarian can receive. Noel served as District 9710 Governor in the year 2005/06. In 2007, Noel commenced a 2 year term as Regional Rotary International Membership Coordinator for Zone 8. In 2011 he was appointed to the position of Rotary Coordinator for part of Zone 8 for 3 years. In 2013 Noel was appointed to the Rotary International Advisory Committee for Membership Development a position he will hold until 2016. Noel will become a Director on the Board of Rotary International in June 2016 for a period of two years.

YOUNG CARERS PROJECT

Wendy Andrews

Rotary Club of Unley.

Here are some staggering statistics on a largely hidden situation in our communities.

There are over 15,000 children in South Australia under the age of 15 years who are the sole carer of a parent or sibling.

These children look after a family member with a chronic illness, a physical and/or intellectual disability, mental health issues, sensory impairment or drug or alcohol dependency !!

This responsibility robs these young carers of their childhood, it takes away their study time, and their social interactions with friends and peers, as they devote themselves to the personal and often quite intimate care of a family member. This immense burden takes its toll on the development of their own lives when these young carers are left unsupported or assisted in some way.

Young Carers in association with Carers South Australia, would like to run a series of art workshops with these young people to reduce their sense of isolation, and support them as they grow to maturity. Details of these workshops have been circulated to all Secretaries of Rotary Clubs in our District for those who wish to assist this Project through a donation. Tailem Bend Music Hall Shines On!

The Music Hall involves over 80 people in the cast, backstage, technical crew and musicians. This includes 25 children of primary school age in their own part of the show and gives them a great opportunity for personal development, confidence and team work.

The Rotary Club of Tailem Bend is proud to be the producers of this great yearly event. Not only does it give people in the community an opportunity to be involved – all you need is enthusiasm! – but it also raises money for local community projects. It all starts again in October to be ready for next year.

The Rotary Club of Tailem Bend has just completed its major project of the year with the performance of its 34th consecutive Music Hall, Shine On. Over 1000 people packed the Tailem Bend Town Hall to see comic book characters, pirates, bushrangers and ghouls bring the stage alive with singing, dancing and a bit of comedy thrown in.

Combined Services Clubs Meeting.

Hosted by the Campbelltown City Council this meeting had representatives from the Rotary Clubs of Campbelltown, Magill Sunrise and Morialta, along with Lions Club, Kiwanis, and Inner Wheel together celebrating their contributions to the well being of others in both local and more distant communities.

Guest Speaker His Excellency the Hon. Governor Hieu Van Le spoke of the kindness and generosity of Australian communities that greeted him and his family when they arrived. He always feels the need to give something back to the Australian community. Governor Hieu said the ethos of service clubs exemplify the spirit of giving and improving the lives of others in need. He said despite the efforts of service clubs and other humanitarian organizations, we are constantly reminded of the miseries of the world and the need and demand of service clubs are even greater. The questions for service clubs around the world is how to make them more effective and relevant to the young people of the society. What he learns from working with the multicultural communities is that Australia has been enriched by people with diverse ethnic, social and cultural backgrounds. Between 2001 to 2006, there were greater numbers of migrants from Africa, Middle East and Asia than from the traditional areas. He cited Australia has the highest diversity of migrant communities in the world. Governor Hieu Van Le said he was pleased to see many migrants in the service clubs, but he would like to see more clubs find a way to open doors to welcome and integrate migrants in their clubs to reflect the diverse background of the community, especially the new and younger generations.

Driver Maintenance, Safer Communities.

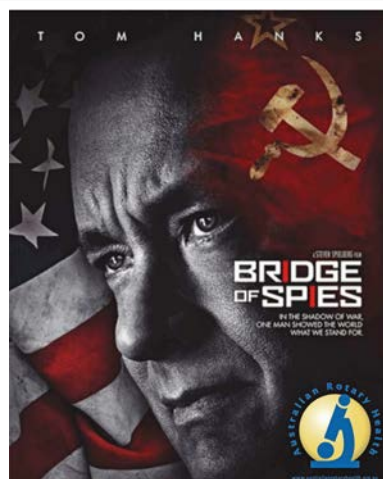

An initiative of Adelaide BMW 

The **Rotary Club of Blakiston** has arranged with **Adelaide BMW** to provide an advanced driving assessment to be available free to Rotarians and their friends. With research stating that over 90% of injury crashes are caused by driving errors, they think it is time to make ALL drivers safer, smarter and more skilful.

Drive to survive is a ground-breaking road safety initiative aimed at creating safer roads, safer drivers and safer communities. This driver course is conducted in a luxury car with experienced instructors, to learn how to plan ahead, how to observe better and how to plan for other drivers' errors.

Just two hours of your day could change your life as a driver. Get road law updates and some pre-driving tips from our experts. Safer roads mean safer communities.

Courses commence 19th September, so if you would like to be involved in this driving course to improve your safety on the road, contact Darren Davis at enquiries@savealifeaustralia.com.au

Vale Rotarian Colin Steel PHF

Members of the Rotary Club of Glenelg are saddened by the passing of Past President Colin Steel at the age of 96 years. Colin joined the Glenelg Club in November 1960, and he was the driving force for the formation of the Brighton District Bush Nursing Society. Fundraising activities organised by Colin enabled 4 vehicles to be purchased for the Society.

Sincere condolences are extended to the family of this true gentleman.

The photo shows Colin enjoying birthday greetings on his 95th.

Please be advised that the meeting venue for the Rotary Club of Holdfast Bay is now
Club Marion, 261 Sturt Road, Marion.

Under Fire Remembrance Day Concert at the Murray Bridge Town Hall Wednesday 11th November 2015.

This very special event titled, “*Under Fire*” consists of a 2-hour concert and AV presentation focused on bringing the realities of Australians at War to the local Murray Bridge community. A South Australian project, “*Under Fire*” was initiated to compile a selection of original songs relating to the four wars (WWI, WWII, Korea, Vietnam) by Adelaide musicians “The Embers”, coupled with original photos and visuals sourced from the Australian War Memorial in Canberra. “*Under Fire*” will be an evening event, commencing at 7.00pm and concluding at 9.00pm.
