

Edition Number 1.

30 June 2013

Welcome to the 2013-2014 Rotary Year.

The Herald is a new look pin board for Rotarians within District 9520 to communicate short messages about projects, events, and discussions, that are of mutual interest. It is anticipated that entries on the pin board are relevant for a wider audience than your Club Bulletin.

The idea is that entries you provide for posting on the pin board will be the whole message, or just the headlines with an electronic link to a website address where more information can be displayed. We anticipate the space taken by your pin board note will be approximately 1/4 of an A4 page, and this can be type and graphics as you design.

Messages on the pin board will appear for one Edition, and if you request the message headline and an electronic link can be repeated for a further week. The mailing list for each edition is Presidents, Secretaries, District Management, and Past District Governors.

Messages for distribution in The Herald must reach d9520secretary@gmail.com by Friday prior to publication.

The Circular below brings attention to the requirements of all Rotary Clubs to ensure their Constitution and Bylaws reflect the changes that have been adopted by RI, and that the changes made in Club documents are Ratified and Endorsed at the next AGM of the Rotary Club.

Dear Rotarians,

The Council on Legislation met 21-26 April 2013 in Chicago, Illinois, USA. Subsequent to that meeting, Rotary's constitutional documents (the [RI Constitution](#), the [RI Bylaws](#), and the [Standard Rotary Club Constitution](#)) have been revised to include all the amendments adopted by the Council. The English revised constitutional documents are now available online. They have also been posted on the [Policy Documents](#) portion of rotary.org. Translations will be posted once they are available. The revised documents will also be included in the 2013 *Manual of Procedure*, which will be ready for distribution in October 2013.

If you have questions about any new policy adopted by the Council, please contact your Club and District Support representative.

If you have questions about the 2013 Council future Councils, please let me know.

Best regards,

Sarah Christensen
