CALL FOR ACTION.

This is part of an email sent to all District Governors in Australia, requesting the assistance of Rotarians.

SYRIA REFUGEE APPEAL

With ShelterBox International and all of its affiliates we are collaborating in a world-wide appeal to address the huge humanitarian crises which exist in Syria and its neighbouring countries.

Over 2 million refugees have fled Syria and over 4 million people remain displaced within the country. The majority are in desperate need of shelter and other vital aid, leaving their homes with just the few possessions they can carry. The need now is greater than ever.

So far ShelterBox has sent aid to support over 4,500 families in Syria, Iraqi Kurdistan, Lebanon and Jordan. But many thousands more need our help today. Our ShelterBox Response Teams (SRTs) are working in countries in the region to reach the most vulnerable families.

With winter just around the corner, conditions are only going to worsen with freezing temperatures and limited resources. The need for protection is critical and ShelterBox offers a winterized shelter solution. We are aiming to provide shelter for a further 5,000 families over the coming months. We urgently need your help so these families can come in from the cold this winter.

Same venue, Courthouse Restaurant Normanville.
Please let Secretary Bob Miller on 0437 843 203 know if you will be attending.

Correction.

Claiming a first is often risky.

I am reminded that our Gaborit – Casburn – Wilson agreement to follow a common Strategic Plan was in fact preceded by a Miller – Manser – Northcote – Ochota plan. Good ideas thankfully do re-circulate.

Thanks Robin for this new skill.

TALL POPPY AWARD

Every club has a story to tell and Wendy is encouraging us to get out and shout from the hill tops the great work that Rotarians do within their local, national and international communities. Programs and projects that build individual and community capacity, empowers individuals to realise their full potential, that saves lives, fosters peace and cultural understanding, rewards community spirit and ethical behavior and so much more.

Wendy feels these stories are worth the telling and is encouraging you to post them to the “Time For Rotary” web site, feature them in the DG newsletter, send them off to RDU. Post them on your own club web sites, face book pages, run a feature story in a local newspaper and support it with advertising. See Edition 12 for details.

October 2013

Volume 4 - Number 4

If you have been encouraged to tell a story promoting the successes of Rotary then “Rotary on the Move” is an excellent example of news distribution. I have received an email from the Editor Noel Trevaskis welcoming Rotarians from District 9520 submitting articles including photographs with our present focus on recruiting and retaining membership.

I note from the current issue of “Rotary on the Move” that our PDG Malcolm Lindquist found a way to attend a good gig at the National Wine Centre to celebrate 90 years of Rotary in South Australia.
