

Edition Number 16

13 October 2013

**Associate Professor Felice Jacka is a keynote speaker at our
District 9520 Conference
20-23 March 2014.**

"Associate Professor Felice Jacka is a Principal Research Fellow in the School of Medicine at Deakin University. She has close links with the Australian Rotary Health Foundation and is recognised as a leading expert worldwide regarding the association between diet quality and the common mental disorders, depression and anxiety, in children, adolescents and adults. Associate Professor Felice Jacka's Conference presentation will overview the recent and compelling evidence from around the globe demonstrating the important role that diet plays in the common mental health problems, depression and anxiety, in children, adolescents and adults. This very new research is transforming the way these disorders are conceptualised."

**You have two opportunities to learn about Diversity of Membership and how to
achieve this in your Rotary Club.**

Hannah Watson Ambassadorial scholar as speaker for your club.

Hannah Watson 9520 Ambassadorial Scholar to the University of Leiden, Netherlands in 2012/13, has returned to Adelaide and is ready to speak to clubs across the district about her experiences. Hannah, a lawyer specialising in environmental law, took up the Ambassadorial scholarship to undertake a Masters program in international law and peace studies. She did exceptionally well and graduated Cum Laude (High Distinction) from the course. On her way home she spent time working as a volunteer, at an orphanage in Kathmandu, Nepal in conjunction with the RC of Brownhill Creek, which has a longstanding project there. She now plans to return overseas to work for an international organisation in the area of peace, conflict resolution or economic and community development.

Hannah will provide a memorable address to your members.

Hannah can be contacted hannah.watson25@gmail.com
