

Salt Water Songs

Tutti's mid-year concert, celebrating our relationship with the sea

South Australia's leading community arts organisation, **Tutti Inc.** will present a mid-year concert performance entitled **Salt Water Songs** on Sunday 28th July at 2.00pm at the Brighton Performing Arts Centre, 305 Brighton Rd, North Brighton. This concert is supported by **Rotary**.

Tutti is a Key Producer with the Australia Council for the Arts, has won numerous awards for its productions and is widely regarded as a cultural catalyst in the lives of around 230 South Australians including 80 in regional SA. **Tutti's** programs across the visual, digital and performing arts break down barriers that isolate and marginalize, providing opportunities for people with disability to participate in professionally led programs which bridge the gap between mainstream, disability and community arts practice.
