Message from Bob Aitken AM, Executive Director, Rotary Down Under.

Rotary's Birthday. February 23 is almost on us but there is still time for clubs to organise a public relations event within your local community. The World Polio Day promotions last October were very successful with many Districts and clubs taking up the suggestion of purchasing END POLIO NOW pins and creating a media event with the presentation of pins to community leaders, and Rotarians wearing their red END POLIO NOW t-shirts.

Please be advised that Rotary Down Under still has 3,000 END POLIO NOW pins available at the sale price of \$1.50 (including GST) for promotional purposes on this special day. RDU will NOT be ordering further supplies of the colourful pin so it really is a matter of 'first in'.

Call Gay Kiddle or Samantha Ausburn on 61 2 9633 4888, or email pinitforpolio@rotarydownunder.com.au, immediately to ensure delivery in time for February 23rd 2014.

From little things big things can grow.

Small changes in technology can lead to big changes in life outcomes. A new fridge organised through the Rotary Club of Santo, Vanuatu, led to the start of a mass vaccination campaign in Vanuatu last October.

Rotarians Kevin and Shirley Roberts from Magill Sunrise were honoured in the Australia Day Awards with Order of Australia Medals for their years of Service to the Community.

Kevin and Shirley epitomize 'Service above Self' and truly deserve this honour.

Kevin and Shirley have been very active Rotarians for many years and have more recently been very involved in Bushfire Recovery projects both in Victoria and South Australia.

The projects and their efforts in both locations have resulted in public recognition / awards for their services.
Congratulations Kevin and Shirley Roberts.

Here is a challenge for 2013-2014 club Presidents.

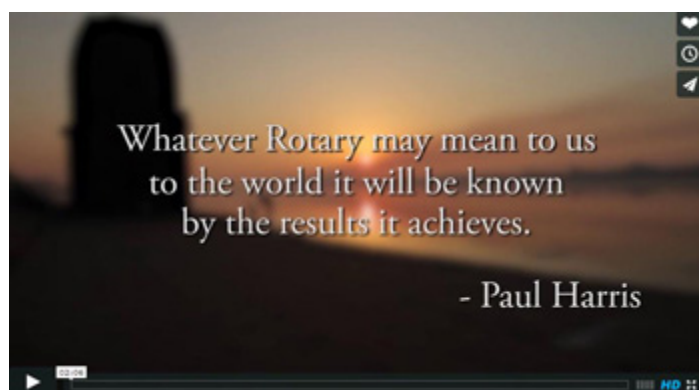

Use Rotary Club Central and earn recognition for your club

Set at least 15 club goals in Rotary Club Central by 15 March and earn a new recognition award from RI President Ron Burton. You must be a 2013-14 club president, setting goals for your year, to qualify. Burton wants members to discover the benefits of Rotary Club Central, an online tool that helps club leaders set and track their annual goals for membership, service, and Foundation giving. Award certificates for qualifying clubs will be sent to district governors in May. No additional action is needed to qualify for the recognition.

The following links need be entered by club officers who have editing rights in My Rotary.

Passing Ceremony at our District Conference.

I cannot seem to improve on the 50% response from Clubs telling me either they have members who have passed since last Conferences in the Barossa, or that they have nil member deaths during this same period of time.

Some good news though, the number of photos is gradually growing, and this will form the main part of the respectful message acknowledging the contribution of passed members in the service of others.
