### **Spectacles wanted by many people in Peru.**

Rotarians attending our District Conference are requested to bring any unwanted reading glasses that could still be useful for people living in Peru. The people in these photographs need assistance to carry out their daily activities. Either unwanted reading glasses or perhaps you might like to buy a couple of pairs of the cheaper spectacles that are readily available here, and give them to Trevor McGuirk at the Conference. Trevor will pass them onto Jean Jacques DeCoster our visiting Key Note Speaker from Cusco.

You can still [register here](#) to attend the **District Conference at Warrnambool.**

Be inspired by the great speakers that have been attracted to present their marvellous stories in our Conference Program.

Join 400 of your friends for great fellowship, in a beautiful environment.

Visit the Conference Website for details. <http://www.rotary9520.org.au/>

## MEDICAL EQUIPMENT AND SUPPLIES TO CEBU IN THE PHILIPPINES

### TWO CONTAINERS ARE TO BE SHIPPED WEEK STARTING 17<sup>TH</sup> OF MARCH 2014.

As you may know, the Rotary Club of Kent Town has a project to send much needed medical equipment and supplies to the Visayas Community Medical Centre (VCMC) in Cebu. This area was one of many devastated by Typhoon Haiyan, and is still in dire need of materials for its rebuilding and rehabilitation.

To this end, we have partnered with St. Andrews Hospital and Donations In Kind (DIK) to send two shipping containers of urgently needed medical equipment such as: theatre instruments, hospital beds, wheel chairs, shower chairs, linen, and a wealth of other items.

On Saturday 15<sup>th</sup> March we will load the 40' container and hopefully start on the 20' as well.

We will begin at 9.00am and continue until about 4.00pm

On Sunday 16<sup>th</sup> March we need to back out there at 9.00am to finish the job

If you can help us with this humanity project please contact Jesse by text or call on 0437 527 121 or email [jbarkergale@gmail.com](mailto:jbarkergale@gmail.com)

Your help will be greatly appreciated.

**Greg, Jesse, Kaylene and Heather Rotary Club of Kent Town International Committee.**

The loading of the containers take place at the DIK warehouse in Edinburgh; please refer to the map link for directions. <http://www.rotarynews.info/3/District/9520/2588/>

### All Rotarians can be involved in promoting our Rotary identity.

Our identity is more than our logo and colours. It is the essence of who we are and what we do.

By providing a clear and consistent image of what Rotary stands for and how we differ from other charitable organizations, we offer prospective members, donors, and other stakeholders a compelling reason to engage with us.

- Rotary members are responsible leaders, both socially and ethically.
- Rotarians define leadership by mindset and approach, not labels or titles.
- Connecting with each other and our communities will always be the driving force behind Rotary.
- Rotary affects local communities on a global scale to create lasting change.
- Rotarians are smart, insightful and discerning
- Rotarians are compassionate and we tackle community challenges with empathy and understanding
- Rotarians are persevering to find lasting solutions to systemic problems
- Rotarians are inspiring and we encourage others to take action, conveying hope, enthusiasm, and passion

These three core ideas help you describe Rotary to a new audience:

- Rotary joins leaders from all continents, cultures, and occupations.
- Rotary exchanges ideas, bringing our expertise and diverse perspectives to help solve some of the world's toughest problems.
- Rotary takes action to bring lasting change to communities around the world.

Our story hasn't changed.

How we share it with the world is vital to our future. Through a unified Rotary look and clear and compelling voice, we are enhancing our legacy as one of the most widely recognized and respected organizations in the world.
