RAWCS now has Online Registration for Volunteers.

If you wish to volunteer for overseas service as a RAWCS/Rotary volunteer you will need to contact a RAWCS Project Manager who is willing to place you on one of the teams that they are organising. A listing of all RAWCS Projects and the Project Manager details appears on the RAWCS website [ProjectSearch](#). After a Team Leader has been found, the initial details of a volunteer is entered in the records by the Team Leader who then sends an email with a link back to the volunteer. Using this link the volunteer can then complete all the registration details required. The picture features house building in Fiji.

This is a project whose appeal for volunteers be they young Rotaractors, women, or skilled builders, has stood the test of time.

The Prostate Cancer Foundation of Australia is committed to

- raising community awareness of the incidence of prostate cancer,
- alerting community members that early detection can radically change the outcomes of the disease,
- informing the community of the support systems available to assist those who have the disease, and
- promoting research into the causes and treatments of the disease.

The purpose of Men's Health Week 9th to 15th June 2014 is to raise community awareness of an important health issue for men in our community, that of prostate cancer. This disease will personally effect the health of many men in our community, and an unacceptable percentage of these men will die.

You are encouraged to arrange speakers to address Rotary Meetings. Speakers such as Les Burdett, and Peter Walsh plus many more are available (the list is with your Club President) to help you raise awareness of prostate cancer in your community.

Following the enormous success of the Inaugural Rotary Charity Ball in 2013, eight Rotary Clubs in the Sunraysia district have again joined forces to organise another **Rotary Charity Ball** which will be held on Saturday 14th June, 2014 at the Club da Vinci.

More than 300 people attended the ball last year, which raised more than \$30,000 for the Sunraysia Autism Spectrum Support Group. This year all the proceeds will go to another local charity, **Wings for Kids Inc. Tickets for the Charity Ball go on sale on Tuesday 1st April, and can be purchased at Lorraine’s Ladies Wear in Langtree Mall, Centro Beauty at Mildura Central or Char-Flair Hair & Beauty in Wentworth. Tickets are \$100 per head which includes a 3 course meal with full table service, wine/beer/soft drinks (with other drinks offered at bar prices), superb music by local dance band “Grab Ya Cat”, auctions, raffles and loads of spot prizes offered throughout the night.

The night will also feature the drawing of our major sponsors raffle prize, a **Scenic Tours Luxury European River Cruise** for 2 people, including return air fares valued at \$24,000 generously donated by Scenic Tours.
