Fundraising Notice Board

Shared Ideas

District recognises that from time to time, mindful of our resources that clubs need to explore alternate ways to raise monies to fund projects.

The Rotary Club of Burnside expressed a desire to see district facilitate a fundraising forum, where Rotarians can come along, present their projects and share ideas.

Till that time, I have introduced a Fundraising Notice Board with new and innovative fund raising activities to be posted each week or month as they come to hand. DG Wendy Gaborit.

What's New and Innovative

Eastwood: Use Facebook - I just donated my unopened 4GB TOSHIBA USB Flash Drive to RCE and implemented as a auction item to sell and raise money for us.

So now anyone can bid for the item and winning bidder can pick up the product on Wednesday.

I hope this will be a good pilot project to see if it works if everyone likes it we can upload and promote anything you like to raise money around the globe...

Mobilong: Friends of Rotary – A sponsorship initiative in tandem with the Club's Vocational Service program. Businesses whose practices reflect the 4 way Test are invited to become a Friend of Rotary.

Friends pay an annual subscription of \$250 and receive in return a decal for their window or door, a certificate and copy of the 4 way test for display in their business. Friends are provided with two complimentary invitations to a Rotary meeting but can attend as frequently as they like. Are invited to all social activities, partner nights and to participate in service activities. The program has grown from 5 to 20 with all friends seeking renewal each year. In turn the club promotes their business in its Bulletin, on its web page and on signs at each and every community event.

Oleh Bilyk. chair ROMAC and Insurance Officer, has suffered a fall whilst holidaying in Majorca.

Whilst now off the critical list, it will be some time before he is back to active duty.

Our thoughts and well wishes are with him and Anne during this time. Oleh will, be medically evacuated home once cleared by his treating surgeon.

Anne has expressed her gratitude for the emails and phone messages from Rotarians and friends across District. Data roaming and internet service limitations has reduced her capacity to respond to all, but she wishes to acknowledge same.

Oleh, regrets that he is unable to fulfil his ROMAC speaking engagements with clubs. Please contact DG Wendy if you want someone to present on ROMAC and she will consult with the committee.
