Save the Children is Australia's leading independent humanitarian relief and development organisation for children. Globally, Save the Children has 30 national organisations delivering programs for children in 120 countries.

One Dollar Day is when we ask for just one dollar, on just one day, from everyone. There are no merchandise sales involved, nor any tickets for events. It is the world's most simple, affordable and inclusive fundraising campaign.

We are asking everyone to give just \$1 for those who can't. Collectively we can reduce the global inequities in children's health and education- just imagine what Save the Children could do if everyone gave just one dollar on one day. It is incredibly simple, all you have to do is collect one dollar from everyone on October 24. If this day does not suit, you can collect any day in October.

In 2013 our collective fundraising is dedicated to education – for children in Lebanon and Jordan who have fled the conflict in Syria, and also recently arrive migrant and refugee children in Australia. It is amazing what we can do with \$1

Rotarians Against Malaria

RAM is a programme dedicated to the fight against Malaria, one of the major health threats in the world today. With more than 500 million infected with the parasite, 2 to 3 million people die of the disease each year, a large majority of them babies and young children. RAM's current programs are focused on the Pacific region, particularly the Solomon Islands, Papua-New Guinea and Timor Leste.

Our District 9520 representative for RAM is Milton Lewis from the RC of Campbelltown.

Proceeds to **Rotarians Against Malaria** for the purchase of **mosquito nets** for Hospital Patients & Pregnant Women in Timor-Leste. Rotarians Against Malaria aim to supply 30,000 bed nets at a cost of USD \$5 each. Bed nets are the single most effective means of reducing the significant number of deaths from malaria in Timor-Leste.

Rotary Global Essay Competition (ROGEC) is being organized by **Rotary Club of Pune Katraj (R.I. District 3131)**.

By conducting this competition, we intend to achieve the following goals.

- Present an opportunity for Rotarians, Anns, Annets, Rotaractors and Interactors around the world to take part in a global competition and a [chance](#) to win a trip to India
- Increase fellowship among Rotarians by providing a platform to share their ideas and experiences with international fraternity
- Promote understanding on humanitarian issues among Rotarian community
- Provide a platform for Rotarians from diverse backgrounds to express their views through essays
