Transylventre is not a scam (From Joy Walker – SPPO)

Some clubs may have received an email about a 6 day fundraising tour organised by District 2241 promoting Transylventre. I wanted to let you know that we have had confirmation from our colleagues in the Zurich office that the information is genuine. It is not a scam. However, the way in which this information was distributed falls outside of RI's circularisation policy. This is currently being addressed with the district/club.

If you have any more questions, please let our office know.

Rotaract Australia Newsletter - RotarACTION AU (Jake Weragoda – Rotaract Secretary)

For Rotaract Australia, this newsletter is about sharing and showcasing some of the wonderful achievements of Rotaract and Rotaractors, from right across the country. In the first edition, that stretches from a tri-district harbour cruise for Polio Plus to four Rotaractors being awarded Paul Harris Fellows.

By illustrating our efforts on a national scale, we hope that current Rotaractors and Rotarians alike will be impressed and enthused, motivating them to continue to excel in their communities. Please visit our website www.rotaract.org.au/newsletter to view and sign up to receive RotarACTION AU.

We need your help to generate awareness of Rotaract and the newsletter. We ask that you share this email with your New Generation Directors and include in your regular updates to the clubs in your district. We hope that this will help to bridge the gap between Rotaract and Rotary, and Rotarians in your district can subscribe to keep up to date on what future Rotarians are doing!
