

TO: District Management Committee, Presidents, and Secretaries
FROM: DG Roy Armstrong
Date of Issue: 16th December 2012

Welcome to this week's issue of the Herald. Hope you are all **"Having Fun"**.

A Christmas Message to All Our Readers

Marilyn, District Secretary Jerry and I wish all Rotarians, their partners, family and friends the very best Christmas that they can possibly have and good luck and prosperity for 2013.

The District has had a great year and so have Marilyn and I. We have visited and been welcomed by every club, enjoyed many opportunities for friendship, seen clubs embrace the "Challenge of Change" and most of all **HAVE FUN!!!**

It has been a year of exceptional growth for the District with, thus far, a net increase of 40 members. By making our clubs alive and invigorating we have retained and attracted members. This has been a great job by all concerned.

N.B. This will be the last Herald for the year. The next issue will be published on Sunday 6th January. Any urgent messages will be sent separately.

United Airlines Charity Miles

My friends in Rotary,

You will no doubt be aware of the promotion currently under way in the USA where charities such as ours stand to win free 'air miles' from United Airlines. We have been asked to vote for Rotary International on a daily basis in an attempt to win the biggest share of miles available and your support, and that of your Rotarian colleagues would be invaluable. This is a great opportunity to further reduce the cost of our operation and it would be helpful if you could quickly send out a message to all clubs asking for their support. The object is for every Rotarian to vote every day until December 25th.

Details are below but get in touch if you need further information.

Regards

Bruce

Manager, The Rotary Foundation - South Pacific & Philippines Office,

United Airlines is once again giving away 10 million miles to its charity miles partners as part of a year-end gift. Charities receive a portion of the miles based on the percentage of the overall vote they receive through 25 December. Your vote could help Rotary win a greater share of miles.

Book Now - as spaces limited and preference will be given on a first in basis

Joint District Marketing – Time for Rotary

www.TimeForRotary.org

Next time you are at the cinema, you may see a 15 second commercial showcasing Rotary projects locally, nationally and internationally - in and by Districts 9500 and 9520.

The CineAD will direct viewers to our www.TimeForRotary.org website to explore more ... to learn more ... to get involved ... to make Time for Rotary.

The Aim is to inspire the public to get involved with Rotary - maybe as a new • Member • Donor • Sponsor • Supporter • Volunteer • Customer • Event Attendee ...

Visit the website. Tell us what you think. And if your club doesn't yet feature, there is still time. More projects can be added.

To be included amongst the achievements of Rotary in our community (or to update your project), just send your best photos. The rest is easy - and a brilliant way to inform, educate and inspire non-Rotarians about the variety, opportunities and fun if they get involved and make some Time For Rotary.

For further information, please contact Rtn Lindsay Davis or email d9520.rotary@gmail.com
