Yellow Brick Road

I am now commencing the process of organising the Yellow Brick Road stands for the Adelaide Royal Show from 6th – 14th September 2013.

Yellow Brick Road Group

It requires any Clubs who may be interested to make a commitment of time available and each Club will then ensure that the required number of staff be at the designated point each and every time they are rostered. I will manage the rosters and liaise with a person appointed from each Club.

I will need 32 people each day for the first 3 days (Fri-Sun) and the last 2 days (Fri & Sat) and 24 people for the other 4 days. The 'staff' do not need to be only Rotarians, and so family members and partners would be most welcome. The minimum age is 16, but like all Rotary functions/fundraiser, there's no upper age limit. It is a relatively easy job with minimal lifting and a great opportunity for some fun and fellowship while earning some funds for your Club. Everyone is covered by Rotary insurance as this is considered to be a Club fundraiser.

Staff will sell the bag, which contains the map, and then the purchasers collect the products from the designated stands throughout the Showgrounds. A manual count of the number of bags/maps sold and the cash is then kept by each selling site. This is checked throughout the day and balanced at the end of each day. There will be methods in place to ensure this takes place.

If your Club is interested in participating please use the following link to access the registration page. You will need to copy the link and paste it into your browser.

Each Club will again be paid \$13 per person per hour.

Please do not hesitate to contact me if you need any more information and I am happy to come to your Club to talk about how it works and answer any questions you might have.

I look forward to working with you all once again.
