Order of Australia Awards

I would like to pass on my congratulations to both David Binks of Glenelg Rotary and John Rix of Berri Rotary for their awards for services to sailing and the community respectively.

Well done and well deserved, great news worthy of Heralding.

Applications for the District 9520 RYLA seminar are now open. Details are as follows;

Where: Nunyara Conference Centre, Belair
When: September 21 to 27, 2013
Cost: \$810 for the first attendee,
\$780 for 2nd and subsequent from same club.
Applications: Forms to be completed online via the website. ([Click Here](#)).

Briefly, RYLA is Rotary's worldwide program designed to foster and develop leadership skills in young people aged 18 to 25. The program includes lectures, workshops and exercises covering topics such as leadership, teamwork, goal setting, public speaking, ethics and problem solving. Full details of the program are available through the District website, or by Googling "RYLA 9520".

There is no doubt that the best way for a club to become involved is to source their own applicant from the many eligible young people they will know through family, friends, work colleagues and those previously involved with their club's other youth programs. And remember that RYLA has been the predominant source on new, young Rotarians over the last couple of years. The RYLA District Committee will also be promoting the event through social media, including directly to our mailing list of past graduates. We expect to receive a couple of dozen applications directly to the Committee, and they will be referred to their local club to arrange sponsorship.

Please also pencil in Thursday September 26, which will be the night of the RYLA Graduation Dinner. Full details will be provided later, but all clubs will be invited to come along and support the young people they have sponsored.

RYLA has been remarkably successful in this district over many decades, and the committee looks forward to once again enjoying the support of dozens of clubs. If you have any queries, please feel free to contact Peter Poulton (Committee Chair) on 0439 805640 or Penni Hamilton-Smith (Administrator) on 0488 084698

The Herald (2013/14)

The Herald is a noticeboard for use by Rotarians in District 9520.

Notices you would like to be brought to the attention of other Rotarians in our District can be pinned onto the noticeboard for a period of 1 week.

Notices that are pinned on the Board are really snapshots of what you are communicating. Any extended explanations or graphics that are required must be posted on your own Club website, with an electronic link provided on The Herald noticeboard.

It is envisaged that notices pinned on the noticeboard will occupy about 1/5 A4 size in portrait format, including any text or graphics you design.

If desired, attention to your notice can be extended for a further week by asking for a Headline plus the electronic link being included in the next issue of The Herald.

Notices that are to be pinned onto The Herald noticeboard must reach d9520.secretary@gmail.com by the close of business Friday prior to distribution.

The first issue of The Herald for the 2013-2014 Rotary year will be published for distribution on Monday 1st July 2013. The mailing list for distribution of The Herald will in the first instance be Club Presidents, Secretaries, District Management Committee, District Committee Chairs and Past District Governors. The intention is that further distribution will be managed at Club level.

Your active use of The Herald noticeboard for notices that are intended for a wide audience in our District is welcomed and encouraged.

Saturday 10 August 2013

7.00 pm for 7.30 pm

**Stables Ballroom

Sangluaia from Myanmar, is the D9520 Peace Fellow. One of only 50 selected from throughout the world by the Rotary Foundation.

Last year, because no suitable candidates applied from within the district, we selected and mentored Sangluaia, a potential candidate from a non-Rotary country. He takes up his 18 month Fellowship at the University of Bradford, England, in September.

Sangluaia is currently working for the UN High Commissioner for Refugees on the frontline in Rakhine State where the deadly dispute between the minority Rohingya Muslims and the Rakhine Buddhists is taking place. Thousands of homes have been burnt and hundreds of people killed.

Prior to this, Sangluaia worked with street children and refugees in Mandalay and spent a short time working on a reconciliation project in Northern Ireland.

Sangluaia himself is a member of another minority group in Myanmar and has known discrimination all his life. He has double degrees in Philosophy and Theology, is a Christian and speaks English well. He will tell a story you will never forget.

This event wouldn't be possible without the financial support of the following:
Rotman Don and Jill Carr
Glen [?]
Malaysia Airlines
Rotary Club of Norwood and Norwood
